

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

One cannot help being very proud of the people of Hamlin following last Thursday's election. Not only because of the overwhelming support they gave to the major bond issue, but also for the large turnout of voters.

In this day of inflation, it is not easy to go to the polls and vote yourself a tax increase. But then people don't really mind the taxes they pay locally and can see the results. It is all the taxes that we have to pay that we really can not see any results from that hurt the most. And these are the ones that we do not get to vote on.

Again, let me say that I am very proud to be able to call Hamlin home.

A clothing manufacturer has expressed an interest in locating a plant here in Hamlin, but wants to see if there are enough prospective employees to staff his plant before making the decision on locating here.

For this reason, the Hamlin Industrial Team is conducting a labor survey and if you would be interested in working in a sewing factory please fill out the survey form that will be found elsewhere in this issue. The questionnaire is not binding and would only indicate the labor supply available here.

It would be up to the manufacturer to do the hiring when and if he decides to locate here. He is especially interested in people with experience in any kind of this line of work. If you are presently working in one of the area plants but would like to cut out the driving time then you should by all means fill out one of the surveys.

This is the first industrial prospect Hamlin has had since the Industrial Foundation was formed last year and the Industrial Team began its training program. Naturally, those who have worked many hours on this project hope that those of you who are interested in this kind of work will take the time to fill out the questionnaire.

Since this column has been on the more serious side for the past few weeks we thought it might be time to switch over to a lighter vein and felt you might enjoy the following:

Only a short time ago the editor of a paper in Indiana grew tired of being called a liar and announced that he would begin telling the truth in the future. The next issue of the paper carried the following items:

1. "John Coyle, local grocerman, is doing a poor business for a good reason. His prices are high, his store is dirty, and his clerks are insolent. How can he expect much?"

2. "The Rev. Bob Jones preached Sunday night of 'Charity.' He'll need all the charity he can get from his congregation because his sermon was so poor."

3. "Dave Conkey died at his home here Tuesday night. The doctor called it heart failure, but those who know say whiskey killed him."

4. "Married-Miss Sylvia Rhodes and James T. Colvin, last Sunday at the Baptist parsonage by the Rev. Gordon. The bride is very ordinary town girl who doesn't know any more about cooking than a jackrabbit and never helped her mother three days in her life. She is not a beauty by any means and has a gait like a duck. The groom is an up-to-date loafer. He has been living off the 'old man' at home all his life and is not worth having. A dim future for the couple is predicted."

5. "Died-Aged 56 years, six months and 13 days. Deceased was a mild-mannered pirate who came here in the night with another man's wife and joined the church at the first chance. He owed us several dollars for his paper. was indebted to most everyone else in town, but you could hear him praying six blocks away. He died singing 'Jesus Paid It All' and we think he is right, because the deceased never paid anything himself. He was buried in an asbestos casket and his friends threw palm leaf fans in his grave

—Continued on page 4

1975 CF POSTER BOY—Matthew Acklin, 3-year-old son of Mr. and Mrs. Wesley Acklin of Abilene, takes daily lung-misting treatments for cystic fibrosis at his home. Matthew is the 1975 poster boy for the CF campaign. The drive will be held Monday. Wesley Acklin is a 1959 graduate of Hamlin High School. He and his wife give the child 20-minute percussion treatments daily and 30 minutes is spent on the lung-mist machine to keep the development of his CF at a minimum.

HERE MONDAY EVENING—

Cystic Fibrosis Sets Door-to-Door Drive

The door-to-door drive for Cystic Fibrosis will be held Monday from 5 to 8 p.m., according to Mrs. Robert Perry, local chairman.

Twenty-two volunteers will be working in the drive. The workers met Monday evening at an informal coffee at Mrs. Perry's home to get materials and information for the canvass.

Most of the businesses have been contacted, Mrs. Perry said.

A story by Bev Morgan in the Sunday morning Abilene Reporter-News was written about three-year-old Matthew Acklin, son of Mr. and Mrs. Wesley Acklin, 1535 N. Eight Street, Abilene. Acklin was a 1959 graduate of Hamlin High School. His parents, Mr. and Mrs. I. D. Acklin, former Hamlin residents, now live in Anson. His sisters, Mrs. Danny Warner and Mrs. Ray Scifres, live here.

Young Matthew also appeared with his father when he was interviewed on a Monday noon tv talk show in Abilene.

Acklin said, "I just feel we're lucky that he (Matthew) doesn't have it (CF) in his lungs. I have faith that before he gets to be a teen, they'll come up with

something that will either stabilize or cure it."

Matthew's disease was discovered when he was 19 months old, when a sweat test was made. The salt content of a cystic fibrosis child is about four times the normal child's.

Cystic fibrosis is an incurable genetic disease. It is inherited when both parents carry the recessive gene for the illness. But, Acklin said, "There is no way to know."

The Acklins have two other children, Scott, 8, and Georgeanne, 6, but they were from Mrs. Acklin's first marriage.

Matthew gets a special medication and diet and takes daily lung-misting treatments at home.

Lions to Open Broom Sale Here Monday

The Annual Lions Club Broom Sale will be held here Monday and Tuesday, according to Bob Hawes, club president.

The local service club will be selling brooms, mops and other household items manufactured by The Lighthouse for the Blind. The club will have a truck and display set up downtown next to the bank and will conduct a house campaign both Monday and Tuesday evenings.

The club will be assisted by the local Boy Scout Troop which is sponsored by the local Lions.

TABLES GAS RATE INCREASE—

City Accepts Oil and Gas Lease On West Lake Land

The City Council accepted the bid of Sojourner Drilling Corporation of Abilene for an oil and gas lease on 273.69 acres of city-owned land and tabled a request for a rate increase from Lone Star Gas Company at their meeting here Tuesday evening.

Sojourner Drilling Corporation was the high bidder on leasing the city-owned land around the city's West Lake. Sojourner offered the city a \$30.00 per acre bonus

and will pay \$1.00 per acre rental for each of the four remaining years on their five-year lease.

The bid also included the standard one-eighth royalty on production from the lease plus an additional 1-32nd—making a total royalty to the city of 5-32nd.

Byron Swank, local manager for Lone Star Gas Company, appeared before the council to request a 9.8 cent per 1,000 cu. ft. increase in the local gas rate. This would be in addition to the 10-cent increase granted by the council in June.

The first increase was granted on the basis of a temporary order of the Texas Railroad Commission. Shortly after the local council approved the temporary increase the Railroad Commission issued a final order calling for a total increase of 19.8 cent increase.

Swank said that Hamlin was one of the few cities within the system that had granted the temporary increase before the Railroad Commission made their final ruling. He said that all of the cities within the area have either granted the total in-

crease or are in the process. The combined increase would be 5.8 percent and would increase the cost of gas for a customer using 10,000 cu. ft. a month a total of \$1.97.

The Railroad Commission order authorizes an automatic 85 percent pass-on of increased gas costs adjusted monthly. This compares with a 65 percent semi-annual adjustment provision previously authorized for Lone Star.

Supt. Hawes said that he had been informed by the architectural firm that it would take about 12 to 14

months to complete the job, barring any delays. This would put the completion date around January of 1977.

In a meeting of the trustees here Thursday evening, the election results were approved by the board. The board also approved the Senior Educational Trip for this spring.

The classes are offered as an extension of The Texas State Technical Institute at Sweetwater.

Instructors have been secured for classes in welding, building trades, and office practices. Other classes will be offered if there is sufficient demand, according to Marvin Carlton, local coordinator.

For more information, interested persons may call Carlton at 576-3472.

Carlton said, "Many people took advantage of these classes last year and the classes proved most successful."

McCaulley Homecoming

McCaulley Homecoming is set for Saturday afternoon, Sept. 27. Activities will get in full swing in the McCaulley Gymnasium at 2 p.m.

A Homecoming King and Queen will be selected at the meeting to be crowned at half-time of the football game between McCaulley and Guthrie which will begin at 8 p.m. A bar-b-que dinner complete with homemade dessert will be served at 5 p.m.

A representative of the firm said here Friday when he met with members of the Industrial Team that naturally the firm was interested in as many trained sewing factory workers as possible because it would speed up the time it would take to get the plant in full operation.

A labor survey form can be found elsewhere in this issue of the Herald and additional forms will be available in different locations around town.

LABOR SURVEY—

—Sewing Plant Interested In Hamlin

The Hamlin Industrial Team is conducting a labor survey for a garment manufacturer who has expressed an interest in locating a plant in Hamlin, according to Loyd Burkhart, chairman.

The undisclosed manufacturing firm currently has several plants operating in West Texas and is interested in expanding into Hamlin if the labor supply is adequate. The firm is interested in both experienced and non-experienced workers.

THE HAMLIN HERALD

HAMLIN, JONES COUNTY, TEXAS, 79520, THURSDAY, SEPTEMBER 18, 1975

VOL. 70, NO. 47

PRICE 14¢

BUT TURN DOWN TRACK—

Voters Approve School Building Bond Election

Hamlin Independent School District voters approved the issuance of \$1,250,000 in bonds for the construction of a new middle school and auditorium but turned down the issuance of \$75,000 for the construction of a track.

Voters approved the school construction program 458 to 284 and turned down the track proposition, 394-341, in the election held at the Public School Gymnasium Thursday.

Bob Hawes, Hamlin School Superintendent, said here Tuesday that the architectural firm of Rihard

and Huckabee of Andrews expects to have final plans and specifications for the project completed for the Oct. 13 school trustee meeting. If the board approves the final plans at that meeting, Tommie J. Huckabee said the board could begin advertising for bids and set a tentative date of Nov. 13 for letting the contract on the \$1,750,000 building and remodeling program.

Supt. Hawes said that he had been informed by the architectural firm that it would take about 12 to 14

months to complete the job, barring any delays. This would put the completion date around January of 1977.

In a meeting of the trustees here Thursday evening, the election results were approved by the board. The board also approved the Senior Educational Trip for this spring.

Meeting Monday To Organize Adult Vocational Classes

Adults of the Hamlin community who are interested in taking vocational courses are asked to meet at the high school Monday evening at 7:30. Vocational classes will be organized at this time.

The classes are offered as an extension of The Texas State Technical Institute at Sweetwater.

Instructors have been secured for classes in welding, building trades, and office practices. Other classes will be offered if there is sufficient demand, according to Marvin Carlton, local coordinator.

For more information, interested persons may call Carlton at 576-3472.

Carlton said, "Many people took advantage of these classes last year and the classes proved most successful."

Davis Weaver and Mrs. L. C. Bonds were named by the board to the Agricultural Advisory Committee.

The building program approved by the voters Thursday includes a new middle school, complete with a physical education plant and a vocational education facility, a 900-plus seat auditorium including a new band hall to serve both the new middle school and the present high school, air conditioning of the three older buildings used by the school and converting the high school patio into a resource center.

When the project is completed in early 1977, all of the school's classrooms will be served by year-round air conditioning.

RAINFALL ABOVE AVERAGE

Rainfall during the past week, Friday through Monday, totalled 2.95 inches, according to Bill Rountree.

Rain earlier in the month adds .45 to the amount to make a total of 3.40 for September. This amount brings the total of the year to 19.05, above the average for Hamlin which is 18 inches.

The front which moved in Friday brought cooler temperatures. Dense fog Tuesday morning made driving to work hazardous as visibility was cut to one block on West Lake Drive.

HONORED BY CANCER GROUP—Mrs. LaFoy Patterson, center, and Mrs. George Kinney, right, were honored Sept. 8, at a meeting of the county chapter in Stamford when David Walsh, executive director of District 16, American Cancer Society, Texas division, presented the awards. Mrs. Patterson, county chairman of last year's campaign, and Mrs. Kinney, chapter president, were honored for their service to the unit. Under Mrs. Patterson's leadership the county had a record amount collected, a total of \$5441.01. Hamlin's donations led the county with \$1855.54. Stamford was next with \$1820.21. Others contributing were Anson, Lueders, Avoca, Hawley and Fort Phantom.

Pipers to Play At Clyde Friday

The Pipers will travel to Clyde Friday night looking for their third win of the season and the chance to avenge last year's loss to the Bulldogs. The Bulldogs upset the Pipers here last year, 8-7, in the mud.

The Bulldogs are one and one with District 6-AA foes this season as they defeated Winters in their opener, 33-0, and then lost to the Stamford Bulldogs last week, 26-8.

The Bulldogs run from the "I" formation with Jackie Brown (150 pounds) running

the offense from his quarterback position. Curtis Chiappone (174 pounds) is the fullback and is rated as a tough runner and a good blocker. The halfback or blocking back is Stan Petrusky (144 pounds).

At left end will be Billy Dugan (164 pounds) and at right end will be Miller Scott (164 pounds). Dugan is the favorite receiver for the Bulldogs. At left tackle will be Mark Hogan (181 pounds) and at right tackle will be

David Roberts (187 pounds). At left guard will be Dewayne Pierce (168 pounds) and at right guard will be Mike Hogan (198 pounds). At center will be Steve Holcomb (167 pounds).

On defense the Bulldogs will go with a front four of Scott (164 pounds), David Self (139 pounds), Russell Bland (192 pounds) and Mark Hogan (181 pounds). The three linebackers will be Doug Watkins (159 pounds), Mike Hogan (198 pounds) and Fred Lipham (155 pounds).

The four defensive backs will be Dugan (164 pounds), Ricky Rose (147 pounds), Buddy Moore (140 pounds) and Brown (150 pounds).

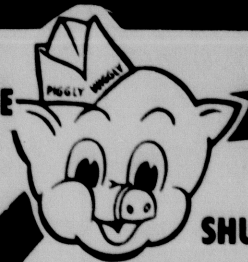

Last week while Hamlin was defeating Haskell, 20-0, and Stamford was defeating Clyde 26-8, Colorado City was winning over Merkel 13-7, Ballinger defeated Reagan County, 14-0, and Coahoma lost to Post, 20-0. The Anson-Rotan game was delayed until Saturday night with Anson winning, 22-14.

Old Beach Balls

Why discard your beach ball when its bounce is gone? Though it's old and torn, its value lingers on!

Town Tote

Remove the patch from one end of the ball. For petals, cut down along seams about 5"; then cut each section into a petal shape. Immediately below the petals, stitch bias tape around the ball. Insert metal eyelets (available wherever sewing notions are sold) into the tape following the directions on the package.

For drawstrings, lace two cords through the eyelets, lacing each in an opposite direction.

To give the bag shape, insert and glue a plastic lid from a two-pound coffee can inside the bottom of the bag.

Make-up Cape

A beach ball, cut in half around the middle, provides material for two make-up capes. Then, for

each cape, cut along one seam up to the round patch. Cut around the patch, making an opening for the neck. Stitch bias tape around the opening, leaving 8" to 10" of tape extending at each side for ties at the neck.

Beach Sit-upon

Cut the ball open along one of the seams. Flatten the ball and insert a round pillow form through the opening. Stitch closed.

Beach Tote

Cut out about 3" from one end of the ball. To reinforce the cut edge, sew bias tape around it. Insert eyelets and drawstring as you did for the town tote.

Looking for ideas for other plastic throwaways? Order the book, "99-Plus Plastic Projects." Just send 75c with your name and address for book number 188 to:

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

The Hamlin FFA Chapter will host a meeting of the Double Mountain FFA Association today (Thursday).

Chapter officers and other interested members from the 15 district schools are expected to attend. The theme of the meeting is leadership.

District schools include Anson, Aspermont, Hamlin, Haskell, Hawley, Hobbs, Lueders-Avoca, McCaulley, Paint Creek, Roby, Rochester, Rotan, Rule, Stamford and Weiner.

Appearing on the program will be Bennett Cook of Aspermont, Area II FFA president; Kayla Mehaffey of Hamlin, Double Mountain District FFA president; Dr. Jerry Stockton of Lubbock, teacher trainer from Texas Tech University; Hulan Harris of Big Spring, Area II Supervisor; and Charles Kirkpatrick of Aspermont and Milburn Wink of Hamlin, Vocational Agriculture teachers.

The Hamlin Pied Piper footballers travel to Clyde to battle the Bulldogs at 8 p.m. The Pipers hope to continue their momentum after sloshing past Haskell last week, while Clyde wishes to bounce back from a Stamford loss.

The Pied Pipers scalped the Haskell Indians Friday

night 20-0 in Piper Stadium under pouring rain and on a mud-sloshed field.

hhs

The Hamlin junior varsity traveled to Haskell Thursday night to settle with a 6-6 tie with the Indians. At halftime Hamlin led 6-0, but early in the third quarter the Haskell squad scored to knot the final score.

hhs

School pictures will be taken Thursday morning. All students in the high school will be involved, except the seniors who posed for portraits earlier. The photographer urges all involved to wear clothing that will show up well in color. These pictures will be used in the 1976 Piper, the school's yearbook.

hhs

Hamlin High representatives at the West Texas Fair in Abilene last week included Guy Turner in the calf scramble and Kayla Mahaffey in the "Register of Merit" section of the stock show. Kayla showed a Hereford heifer that finished 17th of 28.

The Bride's Book of Etiquette, the complete wedding etiquette from engagement to honeymoon. \$1.45 at THE HAMLIN HERALD.

FHA Annual Salad Supper Held Monday

The Hamlin Chapter of Future Homemakers of America met Monday night in the high school cafeteria for the annual Mother-Daughter Salad Supper and formal installation of officers.

Jan Ford, president, presided. As the officers were installed each officer gave one of the purposes of FHA.

Other officers for the 1975-76 school year are Cindy White, first vice president; Patrice Moore, second vice president; Lisa Howard, third vice president; Debbie Light, fourth vice president; Elise Kelley, fifth vice president; Lisa Absher, secretary-treasurer; DeDe Young, historian; Debra Hollis, parliamentarian; Julie Jeffrey, Sergeant-at-Arms; and Elaine Carlton, pianist.

New freshman members were formally inducted.

Miss Harrison Honored With Shower Here

A Pots and Plants shower honoring Carolyn Harrison, bride-elect of Mike Robbins, was held Thursday, Sept. 4, in the home of Mrs. O. H. Weaver Jr. Other hostesses were Mrs. John D. Ferguson Jr. and Mrs. C. R. Reynolds Jr.

Guests were served from a polished table decorated with a hanging basket of artillery fern.

Honored guests were Mrs. Mrs. James Harrison, mother of the honoree, Mrs. Jack Robbins, her fiancée's mother; and Marilyn and Linda Harrison, sisters of the bride-elect.

The couple will be married Oct. 25 at First United Methodist Church.

Bridge Winners

First place winners in Tuesday evening competition of Hamlin Duplicate Bridge Club were Mrs. G. W. Comegys and Mrs. Dale Lain. Winning second place were Mrs. Gene Knabel and Dale Lain; and third place went to Mrs. Harvey Elkins and Teola Simpson.

PTA Magazine and Herald Drive, Oct. 10-20.

Favorite Recipes

By Barbara Craig

Several recipes were received this week for this space. Dorothy (Mrs. Vernon) Johnson gave us two recipes and Wanza (Mrs. Eugene) Baker brought two that she received at a family gathering.

Mrs. Johnson brought a sample of the Rum Cake which the Herald staff enjoyed.

RUM CAKE
by Dorothy Johnson
1/2 c. chopped pecans
1 box yellow cake mix (18 3/4 oz.)
1 instant pudding mix (3 3/4 oz.)
1/2 c. dark rum
1/2 c. water
1/2 c. salad oil

4 eggs
Combine and beat two to four minutes. Pour into Bundt pan. Bake at 325 for 50 minutes to an hour. (May be baked in two Bundt pans.) Pour Rum Glaze over hot cake. Allow cake to cool in pan 30 minutes.

RUM GLAZE
1 c. sugar
1/2 c. butter or oleo
1/2 c. dark rum
1/4 c. water

Combine all ingredients and boil 2 minutes. Pour over hot cake.

CHERRY PIZZA
by Dorothy Johnson
2 cans sour cherries
1 box yellow cake mix
1 one-third c. sugar
1 1/2 sticks oleo or butter, melted
1/2 c. chopped pecans
2 T. white syrup
Butter 12 x 14 oblong pan. Pour cherries into pan, stir in syrup and sugar. Over this sprinkle dry cake mix, then spoon melted oleo over mix. Add chopped pecans last. Bake 50 minutes in 325 degree oven.

Story Hour Set Today At Library

Story Hour for children ages 3 to 5 will begin today (Thursday) from 3:30 to 4 p.m. in Harden Memorial Library, according to Mrs. John Ferguson Jr., Story Hour chairman.

Mrs. Roy Pritchard, president of the Young Homemakers, and other YHT members will be assisting with the weekly project.

Stories, finger games, the pledge of allegiance and other activities are planned for the pre-school children each Thursday.

Mothers may bring their children at 3:30 and return for them at 4.

25 Attend Salad Supper Here Sept. 9

Twenty-five ladies attended the first monthly salad supper of the season Tuesday night, Sept. 9, at the Hamlin Church of Christ.

Pat Blankinship, Ione Cheshire and Sybil Wade were hostesses for this first meeting. The tables were attractively decorated with miniature bonnets and English Ivy.

Mrs. Faye Self of Roscoe presented the program of slides from Australia. Mrs. Self and her husband, Thurman, recently returned from six years of successful mission work in Australia.

Mr. Self now preaches for the Church of Christ in Roscoe.

Ladies Salad Suppers are held monthly on the second Tuesday of each month at 7 p.m. All ladies of the community are invited to attend the suppers.

Friends Class Meeting Held

Mrs. Cecil Sellers was hostess for the Tuesday, Sept. 9, meeting of Friends Sunday School Class of First Baptist Church. Mrs. Ray Johnson was co-hostess.

Mrs. J. E. McCoy Jr., outreach leader, presided. The devotional, "Gee Whiz, I'm Old" by Agnes Tylant, was presented by Mrs. Albert George. She was presented a gift.

Mrs. Sharer gave the closing prayer.

Holiday Lodge News

Weekly events at Holiday Lodge now include a program presented by Mrs. Joe Simpson each Wednesday afternoon. Refreshments were served this week.

The Rev. Marshall Stewart gave the Sunday School lesson and the Rev. Leo Scott, pastor of Oak Grove Baptist Church, conducted the afternoon church service.

Another group conducting a bi-weekly sing along will be ladies from Calvary Baptist Church. In the group Monday evening were Mrs. L. B. Bruner and Michella, Mrs. Garland Payne, Beverly Carter, Sherry Carter, Treva Pettit and Ann Cunningham.

Tuesday was Mrs. Hymers' birthday and her children were with her. She is the only one to celebrate a birthday this month. She was born Sept. 16, 1882.

Brunch Held Here Sunday For Couple

Jan Young and Charlie Sellers were honored at a brunch Sunday, Sept. 7, in the home of Mr. and Mrs. John Ferguson Jr. Other hosts were Mr. and Mrs. Joe E. Ford, Mr. and Mrs. Johnny Jeffrey and Mr. and Mrs. Parker Kelley.

The polished serving table was centered with an arrangement of white gladioli and gypsophila in a silver bowl. Appointments were silver and crystal.

The brunch menu was Deviled Eggs Au Gratin, pickled black-eyed peas, apple muffins and party cheese cakes.

Special guest were Miss Young's parents, Mr. and Mrs. Gerald Young, her brothers, Michael Young and Gerry Young, her sister, DeDe Young; Mr. Sellers' parents, Mr. and Mrs. Cecil Sellers, his sister, Sue Sellers, and his brother and sister-in-law, Mr. and Mrs. Cecil Sellers Jr. of Sweetwater.

The couple will be married Saturday evening at 8 in Holy Trinity Catholic Church.

Plans are being made for a Halloween Party at the Lodge. We would like to ask young volunteers to help with a party Oct. 27. Anyone who can help with this type of project may contact Mrs. Buddy Lawlis at 576-3843.

Another need at the Lodge is for yarn remnants to be used in craft sessions, Mrs. Bonds said.

Homemakers Class Meets Here Monday

Mmes. Melvin Scott, Kenneth Young and Rex Reynolds were hostesses for the Monday evening meeting of Homemakers Sunday School Class in the parlor of First Baptist Church.

Mrs. Bo Newland, outreach leader, presided.

Report of the Mission Action committee was made by Mrs. Bob Craig. Several projects were outlined and plans for the continuing bi-weekly Bingo games at Holiday Lodge were discussed. Visitation of members was discussed and the teacher, Mrs. Bill Shira, gave suggestions for this phase of the class' activity.

Mrs. Craig gave the devotional on "The Needs of the Individual."

Baptist Women Meet Monday

The night group of First Baptist Women met Monday, Sept. 8, in the parlor of First Baptist Church.

Mrs. George Werner sang "Reach Out and Touch" to open the program. She was also pianist.

Mrs. Melvin Scott gave the call to prayer.

Mrs. Bill Shira gave the program on "See the Multitudes in Texas, Pray and Give \$1,234,567.89 for State Missions."

Others attending were Mmes. Andy Brown, Bobby Stubblefield, Albert Haight, Howard J. Jones and Herman Sharer.

Mrs. Jones gave the closing prayer.

Xi Gamma Pi

Holds Salad Luncheon

Xi Gamma Pi chapter of Beta Sigma Phi met in the home of the club president, Mrs. James Harrison, Saturday at 12:30 p.m. for a covered dish salad luncheon.

Mrs. L. C. Bonds gave the invocation and Mrs. Harrison presided following the luncheon. Mrs. Bonds stressed the need for each member to bring any saleable item such as household or farm equipment, or whatever they might be able to donate to the auction to be held Oct. 4, for the purpose of raising funds needed for the Day Care Center. She also urged the continued support of the waste paper to be placed in the BCD trailer on the downtown parking lot.

Those present were Mmes. W. T. Johnson, Gerald Young, M. L. Smith, C. Weldon Griggs, John C. Bryant, Bob McKissack, Howard Mehaffey, Cecil Sellers and L. C. Bonds.

Next meeting will be Thursday, Sept. 25, at 4 p.m. in the home of Mrs. Bob McKissack for a regular meeting.

Tranquilina Rodriguez Ramirez, new daughter of Mr. and Mrs. Pedra S. Ramirez, Rt. 1, Hawley, was born Sept. 11 at 10:55 p.m. She weighed 9 lbs. 6 oz. Other children are Raquel, Pedro Jr., Graviela, Consuelo, Elena, Alicia, Lloyd and Norma. Grandparents are Mr. and Mrs. Trifon Rodriguez and Mrs. Marta Ramirez, all of Pearsall.

News deadline is noon Tuesday.

Young Adults

Ladies of the young adult Sunday School Class of First Baptist Church met Monday evening at 7:30 p.m. in the home of Mrs. Pat Willoughby.

Attending were Mmes. O. H. Weaver, Ronnie Hill, Bobby Howard, Robert Moore, Pat Willoughby, Louis Young, Dennis Anderson, Andy Brown, Larry McCoy, Doug Shearer, C. L. White, Howard Jones, Gary Finley and Davis Weaver.

CLOUD'S CARPET STORE

FROM THE FILES . . .

FIFTY YEARS AGO
(Sept. 11, 1925)

The Quarterly Conference of the Methodist Church in called session Thursday night authorized the building of a new house of worship. A committee was appointed to solicit funds for this purpose, and a canvass will be made in order to secure the amount needed. The construction of this house of worship will meet a long felt need of the town of Hamlin and community. The progress of this new enterprise will be watched with keen interest by all the people.

Thursday there were quite a number of Hamlin people down at the Orient stations to see the first Orient Gasoline Motor driven passenger car pass down the line. This car was in charge of Harvey Allen, trainmaster, and a factory man. The new car will probably seat 50 to 60 persons, has good leather upholstery, very roomy and in the engine room there is room for quite a bit of baggage, express or mail. The engine is a six cylinder and is equipped with all the modern devices of speeds very much as a late model auto. It has five different shifts and is said to be able to attain a speed of 59 miles, and then automatically cuts off.

Miss Julia Fletcher, cashier for the local West Texas Utilities Company, left last Saturday night for her vacation outing in El Paso and New Mexico. She was accompanied by her sister, Miss Inez, of Abilene, who is also with the Utilities Company. Miss Cecelia Pluto will have charge of the books in Hamlin in the absence of Miss Julia Fletcher.

FIFTY YEARS AGO
(Sept. 4, 1925)

The first round bale to be reported ginned in Hamlin was that for J. A. Morris at the Pioneer Gin this week. Morris took 1060 pounds of seed cotton, got two round bales, both weighing 376 pounds, which sold for 25 cents. Seed brought \$30 per ton and Morris was greatly pleased.

The trustees of the Neinda school informed the Herald this week that they had let the contract for the rebuilding of the school building that was destroyed by fire last winter. J. S. Dean of McCauley secured the job and a fine \$15,000 brick and concrete structure will be erected.

There has been plenty of amusement in Hamlin this week. The picture show, the skating rink and Tom's Comedians. This is a new tent show for Hamlin and from the appearance of the property, the style of characters and the plays, Tom's is measuring up to the best.

Last Tuesday night the Hamlin Chamber of Commerce met in regular monthly meeting. The Morgan Hotel was host and one of the finest dinners that the Club has ever had served to them was there that night. The "boys" who failed to be present certainly failed to get a good meal. Only 20 men were out, but there was no special attraction, just the usual time for eating and summing up a few things for the interest of the town and community. The country man is always welcome and there are many "city" fellows who should also take a hand.

an epidemic of the malady is expected to be diagnosed by tonight, when the first official tilt of the season is reeled off at Hamlin High School stadium. The game, between two picked teams of the Pied Pipers, who have been designated as the Greens and Whites, will begin at 8 p.m. under the lights before an expected crowd of several hundred fans.

Hamlin Schools got off to an auspicious start this week on the 1955-56 term of school when an even 1,000 students were reported signed up, which is one of the best first-week enrollments in the history of the school. By divisions, the following totals were tabulated for enrollment according to the office of Superintendent of Schools, Foster Cook: High school, 235 students; Junior High, 216; Elementary, 150; Primary 251; and DePriest School, 148. After six weeks of school last year there were only 1,007 students enrolled, so the present first week total is expected to be well above last year's average daily attendance, school leaders believe.

L. H. (Herman) McBride, longtime civic leader and businessman of Hamlin, this week permitted his name to be filed for a place on the City Council after urgings of friends for several days. His was the only name filed so far in the race to elect a member of the five-man council in a special election slated for Tuesday, Sept. 13.

TEN YEARS AGO
(Sept. 2, 1965)

Piper Patter, a weekly account of Hamlin High School activities published as a special feature of the Hamlin Herald, will be written this year by Pat Pope, Jane Ferguson, seniors, and Helen Moore, junior. The girls will be aided by Mrs. Charles Scott as an advisor.

The Pied Pipers will open their 1965 football campaign at Rotan Friday night under the direction of their new head coach Joe Youngblood. The Pipers and Yellowhammers will collide in the Rotan stadium at 8 p.m. The Pipers, running from a Wing T offense, will go into the game short on experienced personnel in most positions and will have several sophomores in the starting lineup.

A Labor Day Weekend Golf Tournament is being planned by the Lakeview Country Club Sunday and Monday afternoon, according to Joe Ford, chairman. It will be a Low Ball partnership tourney for local and city players. It will be an 18-hole match Sunday and 18 holes Monday with Sunday's play counting as a qualifying round and also on the two day's total. All local men are invited to play in the tournament and the entry fee will be \$3.00 with golf balls given as prizes.

A barbecue will be given for all Veterans of Foreign Wars and their families at 7 p.m. Saturday, Sept. 4, at the Hamlin V.F.W. Post 6014.

S

SAFE AND SECURE

How confidently he sleeps. Mother and Daddy are in the next room. Teddy Bear is right beside him.

We, also, desire a feeling of confident security. We want to do good and live with honor in this life, free of the fear of falling into sin. God wants this for us, too. And He sees and knows how hard we try.

In the New Testament, Jude writes, "God is able to keep you from falling, and to present you faultless before the presence of His glory with exceeding joy."

Pledge yourself to Him and attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CAPITAL HIGHLIGHTS—

State Seeking Land Swap for Park

AUSTIN — A big state land trade has been proposed to obtain a scenic new park on 30-mile-long Matagorda Island.

Land Commissioner Bob Armstrong suggested the swap of 18,000 acres of state-owned land near Fort Bliss in El Paso County for the federally-owned share of the island.

A joint House-Senate committee unanimously decided the state should own the island which lies south of Port Lavaca.

The U. S. Air Force has decided it will not continue use of Matagorda as a bombing range, but the U. S. Interior Department wants it as additional refuge for the whooping crane.

Armstrong said Matagorda offers among the best sports fishing and hunting in the country, and it is within easy auto range of Houston, San Antonio and Corpus Christi citizens.

Matagorda's beach is growing rather than expanding, the committee was told.

Federal holdings on the island total nearly 19,000 acres. The state owns 16,369 acres and private interests 15,570 acres.

Parks and Wildlife Commission Chairman Pearce Johnson questioned wisdom of the trade, however.

Rates Set
The State Insurance Board has set medical malpractice rates in the state's assigned risk pool 40 per cent lower than the industry asked for. Doctors insured through the risk-sharing pool will pay 18 to 20 per cent more than the highest rates charged by companies writing insurance voluntarily.

New rates for the Texas Medical Liability Insurance Underwriting Association (JUA) will cover physicians, surgeons, hospitals, podiatrists and nurse anesthetists who cannot obtain profession insurance on the open market. The Board asked JUA to re-submit its rate filings, terming those first submitted excessive.

Base premiums for \$100,000-\$300,000 limits for non-surgical physicians in Harris County were set at \$1,800 and at \$1,200 for the same class of physicians in the rest of the state.

Rates were adopted for more than 30 classes of physicians and surgeons including doctors normally classified as "high risks."

Neurosurgeons and orthopedic surgeons will pay highest premiums—\$14,000 in Harris County and \$9,600 in the rest of the state. Harris County plastic surgeons will pay \$10,800, those in other areas \$7,200.

Hospital rates are \$420 per bed plus \$42 for ever 100 outpatient visits.

Constitution Aired
Secretary of State Mark White announced a program to encourage voter registration for the November 4 constitutional revision election.

White also said an all-out effort will be launched to encourage voters to study the proposed document.

Proponents and opponents of revision will outline their views at a conference sponsored by Texas Press Association, Texas Daily Newspaper Association and Texas Association of Broadcasters here Sept. 19.

AG Opinions
Texas Department of Public Safety may provide criminal history information to the State Bar of Texas and Department of Public Welfare to assist in licensing.

responsibilities, Atty. Gen. John Hill held. In other recent opinions Hill concluded:

—Texas Student Publications at The University of Texas is no longer a legal entity and cannot hire an attorney without regents' approval.

—Temporary and part-time state employees accrue sick leave, but leave for the part-timers is acquired on a proportionate basis.

—The Employees Retirement System of Texas may grant credit for service as a county attorney to a qualified member of the System.

—The Teacher Retirement System can purchase insurance for liability under the Texas Tort Claims Act. Insurance for the System's building, contents and papers may also be purchased, but workmen's compensation coverage may not be.

No Gas Shoragae
Texas should not have a severe natural gas shortage this winter, Governor Briscoe said after an organizational meeting of his new energy council.

The Governor said he does not believe Congress will allocate Texas gas to other states.

Briscoe and Lt. Gov. Bill Hobby urged more emphasis on developing new sources of energy—including solar, wind, geothermal and waste material burning.

Short Snorts
Texas officials filed suit in Washington in an effort to keep the state out of federal Voting Rights Act coverage.

An Austin district judge refused to grant a temporary restraining order sought by Texas Association of Proprietary Schools to prevent enforcement of new Board of Education rules.

Oscar Laurel of Laredo has resigned as Good Neighbor Commission director.

fective December 31. Sept. 21-27 has been designated Highway and Transportation Week. Cigarette stamp taxes increased \$5.2 million in the last fiscal year — to a total of \$247.6 million.

Comptroller Bob Bullock said \$22.9 million in unemployment benefits were paid to jobless Texans last month.

Texas Animal Health Commission declined to change state regulations to comply with new federal standards for control of brucellosis in cattle herds.

Bake Sale Sat.

Young Homemakers will have a bake sale Saturday beginning at 9 a.m. in front of Piggly Wiggly Super Market. Special orders may be placed by calling 576-3427, Mrs. Pat Willoughby.

Singing Sunday

The Third Sunday Singing will be held Sunday at 2 p.m. at Calvary Baptist Church, according to Mrs. Bessie King. Several out-of-town singers are expected. Everyone is invited.

Brownies Tour Santa Fe Depot

Brownie Troop 354 toured the Atchison, Topeka & Santa Fe Railway Co. depot Tuesday afternoon. Lon Hughes, conductor, took the girls on a tour of the train engine and the caboose.

He explained how the train ran and all his duties aboard the train. Leaders are Mmes. Thomas Welch, Johnny Waldrop and Ralph Ferguson.

NEW UNIFORMS—Drum majors for the Baylor University Golden Wave Band in new uniforms are David Stapp, left, a senior from Crowell, and Tony Lewis, a graduate student from Hamlin. They share the responsibility of leading the 200-member band during football game half-time performances this fall. Lewis, who is the son of Mr. and Mrs. E. E. Lewis, 708 N. W. Ave. H, is working toward a master of music education degree at the Baptist university. He received a bachelor of music education degree cum laude in May from Baylor. He was drum major last year and served as a member of the band's governing council. He also has served as vice president and treasurer of the Baylor chapter of Kappa Kappa Psi, men's national honorary band service fraternity.

WHEAT TIME

WM 125

Hard Red Winter Wheat

(CROSS STRAIN VARIETY)

UNDER TEST CONTROL — WM 125 planted on maize ground in December and after a 30 percent hail damage produced 24.9 bus. of wheat. It made excellent grazing as well. (No fertilizer added) Test Plot at Hamlin, Texas

Also, many cattlemen and farmers claim that with its fast early growth, wide heavy leafing and extensive stooling, it is very near equal to those special grazing crops—plus producing outstanding yields of grain.

WM 125 resists loose smut and stem rust and shows only slight infection to leaf rust. WM 125 has a stronger straw strength and a longer straw during very dry years plus increased yields. (Try a little and see the job it does for yourself.)

THE NEW ARABIAN KNIGHTS

The exotic shieks of Ali Baba land own 70 percent of the World's oil. They have a pretty good idea of what it's worth and the people who generate our power are feeling the pinch. The result is higher costs to them and to us.

But the Midwest Electric Coop., more than 30 years ago, provided the "Open Sesame" that helped electrify rural Texas. Their continuing commitment is power at its lowest possible price.

MID-WEST ELECTRIC COOPERATIVE

Nolan County 4-H Sets Horse Show

The Nolan County 4-H Horse Club is sponsoring an open hosse show Saturday with registration at 8 a.m. and a jackpot team barrels and poles, calf roping barrels, flags and ope events Sunday with registration at 1 p.m.

Several age groups are featured. For additional information contact Mrs. James Sherrill 235-2068 or Mrs. Pat Lanier 235-3946.

The Nolan County 4-H Horse Club is sponsoring an open horse show Saturday with registration at 8 a.m. and a jackpot team barrels and poles, calf roping, barrels, flags and pole events Sunday with registration at 1 p.m.

Several age groups are featured. For additional information contact Mrs. James Sherrill 235-2068 or Mrs. Pat Lanier 235-3946.

Aspermont Sets Homecoming Dates

The Aspermont Homecoming is scheduled for Friday and Saturday, Sept. 26 and 27. Activities will begin Friday at 7:30 p.m. in the school auditorium with the first performance of a three-act community play. This will be followed by a Bon Fire and Pep Rally on the school ground at 8:30 p.m. A Homecoming Reunion and street dance will follow at 9 p.m. on the town square.

Saturday's activities will begin at 2 p.m. with registration of ex-students and teachers at the school auditorium. The business meeting will begin at 3 p.m., followed by a second performance of the community play. At 4:30 p.m. an art show and antique display will be held in the high school building, followed by a barbecue supper with all the trimmings sponsored by the Seniors.

The Homecoming football game will begin Saturday at 8 p.m., with crowning ceremonies scheduled for half time.

Hamlin students will be taking subscriptions to magazines and the Hamlin Herald Oct. 10-20, for the Hamlin PTA's main money raising project.

New rates for long distance calls within Texas.

With Discount Periods and a new One-Minute Rate, you may be able to save money.

Rates for Long Distance calls within Texas have just changed.

For you—the telephone customer—it means most rates are going up.

But you may be surprised to learn that rate changes won't necessarily bring higher telephone bills.

Because with our new discount for dialing your own calls, you can better control your Long Distance costs.

In some cases, you may be able to save money on your Long Distance bill by taking advantage of these rates.

For example, there's a new one-minute rate on all calls that you dial yourself—without the operator's help.

Under the old rate, the initial rate period was for three minutes. Now on One-Plus dialed calls the initial rate period is one minute.

That means you can save by reducing the length of your call.

*DISCOUNT RATE PERIODS FOR ONE-PLUS CALLS WITHIN TEXAS							
	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
8 a.m. to 5 p.m.	Day Rate Period Full Rate						Evening 30% Discount
5 p.m. to 11 p.m.	Evening Rate Period 30% Discount						
11 p.m. to 8 a.m.	Night and Weekend Rate Periods 40% Discount						
NOTE: The Evening rate applies all day on the following holidays: New Year's Day, July 4, Labor Day, Thanksgiving and Christmas Day, except in instances where the holiday falls into Night/Weekend period. In this case, the lower rate applies.							
*On operator-assisted calls, the same rate applies at all hours on all days.							

Also, for the first time we are offering flat percentage discounts for Evening, Night and Weekend One-Plus calls.

Using the Day rate as the base, the Evening rates will be 30 per cent less. And, on

Nights and Weekends there will be a 40 per cent discount.

So, if you call later in the day or night, or on weekends, you're going to get the lowest rates possible.

But if you place calls through an operator, rates for these Zero-Plus calls will be higher, at any time—night or day. These include calls from a coin phone, collect, credit card and calls billed to a third number.

The initial rate period of three minutes will continue for these and other operator-assisted calls.

And, person-to-person calls will cost more than any other type call.

*EXAMPLE OF NEW RATES FOR MAXIMUM DISTANCES		
	#One-Plus	Each Additional One-Plus Minute
DAY RATE	50¢ or less	41¢ or less
EVENINGS 30% Discount	35¢ or less	29¢ or less
NIGHTS AND WEEKENDS 40% Discount	30¢ or less	25¢ or less
#One-Plus charges for 1 minute		
NOTE: One-Plus rates also apply on station-to-station calls placed with an operator where One-Plus facilities are not available. *Rates quoted do not include taxes.		

Simply put, if you dial the call yourself, you are going to get a lower rate. If you place your call through an operator, it will cost more.

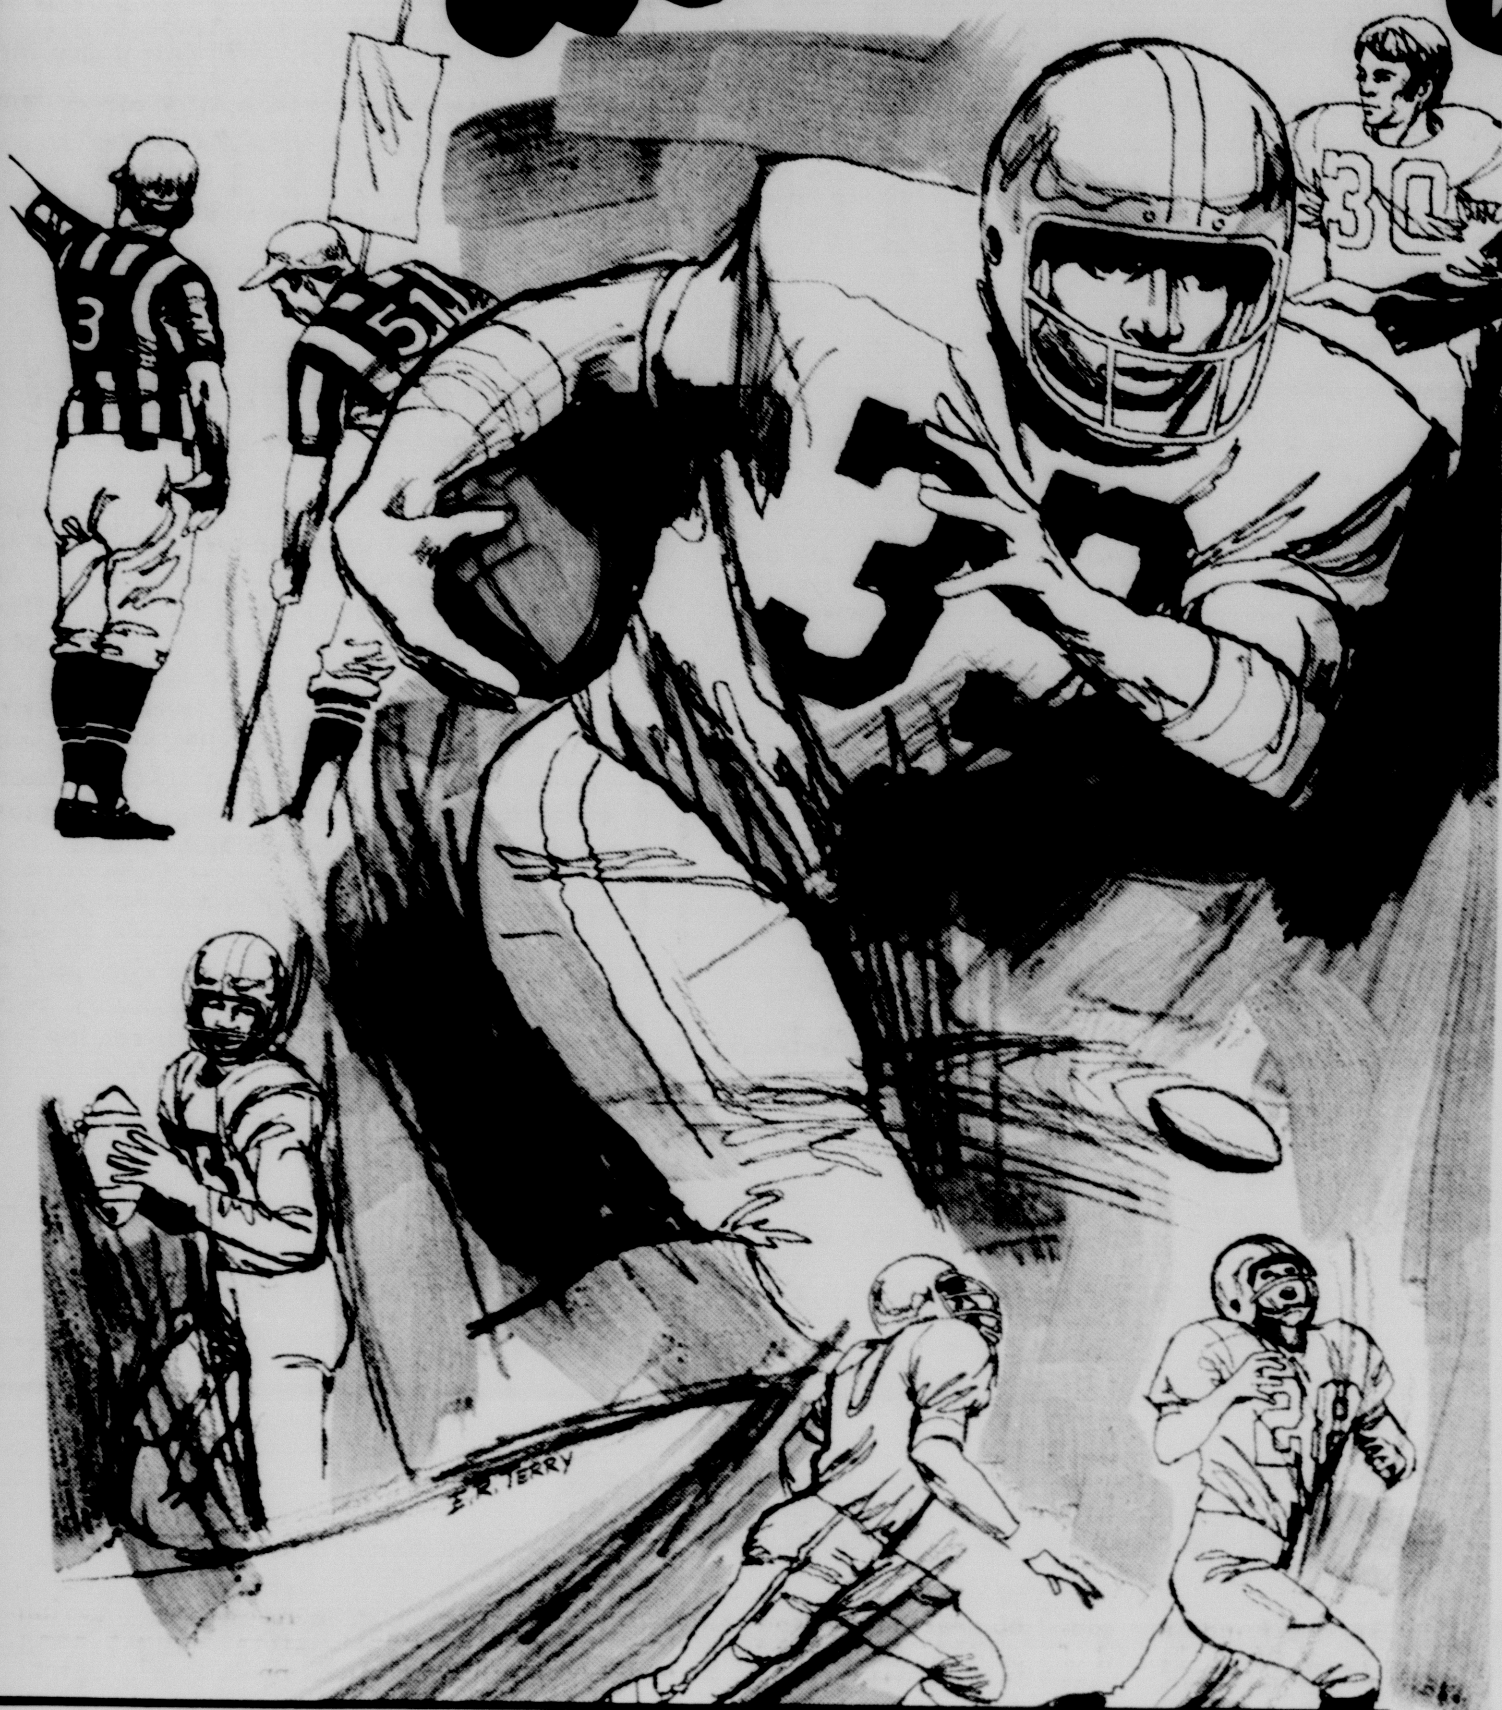

Now our new rates offer you a choice.

By dialing your own calls and by taking advantage of our discount rate period, you can still get low rates and fast service.

Pipers Overpower Haskell In the Mud Friday, 20-0

The Pipers overpowered the Haskell Indians here Friday night in the rain and mud to take their second win of the season, 20-0. The Pipers rolled up 249 yards in total offense while holding the Indians to 95 yards.

Only a very limited crowd braved the bad weather as the two teams played on a rain soaked field in intermittent light showers and drizzle. The muddy field caused problems for both teams as they swapped out on fumbles lost with three each and were both plagued with poor footing for their running backs.

Delbert Thompson, the Pipers' big fullback, was the night's leading ground gainer with 98 yards in 20 tries for a 4.9 average. The two fleet-footed halfbacks for the Pipers, Daniel Willis and Robert Phariss, shared scoring honors with Thompson as they each scored a touchdown. Willis carried the ball 15 times for 68 yards and an average of 4.5 and Phariss carried 12 times for 48 yards, an average of 4.0.

The Pipers were inside the Haskell 20 seven times while the Piper defensive unit held the Indians outside the penetration zone all evening.

The Indians won the coin toss but elected to kick to the Pipers to get the game underway. After two five-yard penalties for offside and kicking out of bounds, the Indians kicked to Phariss who returned it to the Hamlin 40. Phariss gained two yards and then Willis broke loose for 24 to the Indian 34-yard line. Willis carried for another seven yards and then Phariss picked up a first down at the 22 on a five-yard carry. Phariss was stopped for no gain and then Thompson carried twice for a first down at the 10 on runs of four and eight yards. Thompson picked up four more before the Pipers muffed a handoff and gave up the ball on a fumble at the six.

In nine plays the Indians moved out to their own 36 before being forced to punt. A bad snap sailed over Rex Pittman's head as he tried to punt. He picked up the ball and while being chased by several Pipers, passed to Johnny Larned who was dropped for a nine-yard loss at the Haskell 27.

Phariss ripped off 15 yards

HAMLIN 7 0 7 6 20	
HASKELL 7 0 0 0 0	

to the 12, Thompson added three more and then Phariss picked up an additional three. Thompson gained five for a first down at the one before Phariss took the option pitch from Gerald Rodgers and raced into the right corner for the touchdown. Alan Steele kicked the point after to give the Pipers a seven-point lead with 24 seconds left in the first period.

The two teams exchanged punts and fumbles during the second quarter as neither team could keep a drive going. The Indians managed to get inside the Hamlin 30 only twice during the night and one of these times came within this second period as they made it to the Hamlin 27 before Willis picked off a Chriss Love pass at the Hamlin six.

The Pipers took the second half kickoff with Phariss taking the kick at the five and raced down the right sidelines behind a good wall of blockers for 40 yards to the Hamlin 45. Thompson ripped off 11 yards to the Indians 44 and then Willis added three more before the Pipers were stuck with a 15-yard penalty to put them back on the 48. Phariss was stopped for no gain before Willis slipped through a host of would-be Indians tacklers for 19 yards and a first down at the 33.

Phariss carried for eight, Willis was stopped for no gain and then Thompson picked up a first down at the 21 on a three-yard carry. Thompson powered his way for seven and then Phariss gained another first down at the 10. With a first and goal, Willis was stopped for no gain and then lost eight as he had problems with the option pitch. Hamlin drew another 15-yard penalty to put them back on the 21. Phariss gained four and on fourth down Willis was stopped at the seven.

Taking over on their own

seven, the Indians mishandled the ball in their backfield with the Pipers recovering at the six. It took Willis two tries to get in for the second Piper score. His first carry was for five to the one and then he took the option pitch and raced across the goal line on the left side. Steele kicked his second point after to give the Pipers a 14-0 lead. Hamlin's score came with 2:53 seconds left in the third period with the Indians having run one play in the second half.

Following the kickoff, the Indians made it out to their own 49 before losing a loose football with the Pipers coming up with it at the Indian 44. Willis was dropped

for a yard loss before Rodgers picked up six and then Haskell drew a five-yard penalty to give the Pipers a first down at the 33. Russell May carried for six, Thompson picked up a first down on runs of two and five yards and then added another one on a run of 13 yards. Halfback Mack Lee had problems with a pitch out and lost nine yards to put the Pipers back on the 16. A five-yard penalty moved the Pipers on back to the 21 before Rodgers passed to Steele for 12 yards to the nine. Haskell drew a penalty to the five, Thompson carried to the one and then scored over right guard on the next play. Steele missed the point after

and the Pipers were ahead 20-0 with 6:59 left in the game.

The Indians ran one play from the 10 following the kickoff before fumbling to the Pipers at the 23. Lee picked up 18 yards to the six but the Pipers fumbled two plays later back on the 12.

The Indians made a first down at the 23, but then were held three plays in row for no gain and were forced to punt. Taking over at the 42, the Pipers sent Thompson into the line for four and then called on his backup, Stan Jones, who carried twice for gains of three and seven yards and a first down at the 28. Thompson picked up eight and then was held for no gain as the game ended.

Adult Course In Welding Planned Here

The Hamlin Vocational Agriculture department will again offer the Adult Basic Arc and Oxy-acetylene welding course in its shop facilities this fall. The course is funded by Texas State Technical Institute in Sweetwater through the Texas Education Agency.

The course is free of charge to anyone who is interested in learning or improving their skills in welding. The course is 90 hours long, running two nights per week, 3 hours per night, for 15 weeks. Students are to have 75 percent attendance in order to receive

THURSDAY, SEPTEMBER 18, 1975, PAGE 7
their certificate in basic arc welding.

The course was offered for the first time last spring and six students successfully completed the course. They were Weldon Johnson, Ray Johnson, Chano Guerra, James Cork and Ernest Jenkins, all of Hamlin, and Troy Bennett of Hawley.

The course will be taught again by Gary Finley, local Vo. Ag. Teacher. Anyone who wishes to take the course or those who have any questions, may call Gary Finley at home, 576-3787, or at school, 576-3624.

A target date for the organizational meeting has been set for Sept. 25, at 7:00 p.m. in the Vo. Ag. building, Finley said.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (SJR NO. 11)
SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present deduction of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officials such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

Even with a full pig, I got an empty feeling inside.

United States Savings Bonds vs. the Piggy Bank.
1. If the Piggy Bank is stolen, you lose what's in it. That's the way it is with cash. If a Bond is stolen, you get a new one.
2. A Piggy Bank is easy for even its owner to rob. But Bonds can be bought through your Payroll Savings Plan at work, and a little is taken out of each check before you can get your hands on it.
3. The Piggy Bank may look kind and generous, but it won't give you any interest. A U.S. Savings Bond yields 6% when held to a 5-year maturity.
4. The Piggy Bank money just sits there. A Bond helps you country.
In summary, you might wonder why grown folks would even use Piggy Banks. It's so much smarter to buy Bonds.
Avoid that empty feeling. Buy U.S. Savings Bonds.

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America. Join the Payroll Savings Plan.

NEWS FROM

OLD GLORY

By BERNICE D. WHITE

This is one of those rare times when a few folks around community are daring to say, "I've had enough," speaking of the rain. Between five and six inches fell over this area over the weekend, bringing with it cool fall-like temperatures. It will be a while before farmers can get in the fields to harvest their crops or sow grain; but things are looking good for next year.

Old Glory High School students recently elected their class officers as follows: Seniors: Hank Bryant, president; Lynette Meier, vice president; Debra Teichelman, secretary-treasurer; Terry Anderson, reporter; and Randall Gibson, parliamentarian. Terry Burkhalter will be their sponsor.

Juniors: Pete Castro, president; Celinda Vahlenkamp, vice president; Joe Barrera, secretary; and Rosa Barrera, treasurer. Mrs. Terry Burkhalter is their sponsor.

Sophomores: Kevin Cox, president; David McKee, vice president; Jacky Jones, secretary, and Wesley Martin, treasurer. Mrs. Cecil Klump is sophomore sponsor.

Freshmen: Jami Pierce, president; Marcene Baldree, vice president; Silvia Castro, secretary; Berry Alvis, treasurer. Bill McKee is sponsoring the freshmen.

The Old Glory Variety Club met last Tuesday for its first

meeting of the new season in the home of Mrs. Ed Letz. Fourteen members attended, enjoyed refreshments and games of eighty-four and bridge.

The members voted to send a memorial gift to one of their former long-time members, Mrs. Iva Flowers of Stamford, to express their sympathy at the recent death of her brother, Olis Macon of Rule.

The next Variety Club meeting will be Tuesday, Sept. 23, in the home of Mrs. Lisbon Letz.

Visitors in the home of Mr. and Mrs. Beno Herttenberger last weekend included three of their children and spouses, Mr. and Mrs. Jack Simmons of Fort Worth, Mr. and Mrs. Malcolm Herttenberger of Rule, and Mr. and Mrs. Roy Herttenberger of Aspermont. Paul Garrett of Abilene was also a dinner guest in the Herttenberger home on Sunday.

Mr. and Mrs. Clif Drummond of Austin are parents of a boy, Dylan Owen, 6 lbs. 2 oz., born Sunday, Sept. 2. They have a daughter, Megan, 4. The baby is the first grandson for Mr. and Mrs. G. W. Drummond, paternal grandparents. Mr. and Mrs. Jilson Hensley of Houston are maternal grandparents.

Jones County Welfare Rolls Being Investigated

The State Welfare Department reportedly is still investigating the Jones County welfare rolls in an attempt to eliminate fraud in the system.

Investigating out of the Lubbock office of the department, the team is said to be checking welfare and food stamp recipients and

Funeral Services Held Friday for Floyd (Jack) Gray

Funeral for Floyd (Jack) Gray, 73, a retired Neinda farmer, was held Friday at 2 p.m. in McCoy Chapel of Memories. An area resident for 42 years, he died at 2:35 a.m. Wednesday, Sept. 10, at Stamford Memorial Hospital.

The Rev. Marshall Stewart, pastor of the Church of the Nazarene, and the Rev. Frank Codington, pastor of Neinda Baptist Church, officiated. Burial was in Hamlin Memorial Gardens.

Born July 18, 1902, in Pauls Valley, Okla., he was the son of the late Mr. and Mrs. Moss Gray. He married Willie L. Wilson at Brady April 12, 1921. They lived in Coleman before moving to Hamlin in 1933.

He was a member of Neinda Baptist Church.

Survivors include his wife; two sons, Jack P. of Portland, Ore., Joe S. of Denver, Colo.; one daughter, Doris Hilton of San Antonio; one brother, Rufus Gray of Coleman; one sister, Pauline Thompson of Coleman; seven grandchildren and two great-grandchildren.

Pallbearers were Ray Johnson, Earl Abernathy, Wayne Hodnett, John Scarbrough, John R. Brown and Vernon Harris.

investigating such factors as their incomes, family size and other factors pertaining to the operation of the welfare system.

Jones County Attorney Raymond Hollabaugh confirmed last week that four cases of defrauding the Welfare Department had been filed in Jones County court this year. He pointed out that three of the four filings have come in the last two weeks, indicating the authenticity of the investigators' presence.

Hollabaugh said he understands that the Welfare Department is in the process

of filing against four more individuals in the near future with more investigation continuing.

When questioned about the penalty for defrauding the Welfare Department, Hollabaugh said conviction can result in an \$1,000 fine and-or six months to two years in jail. He added that restitution may be required in some cases; that is, the fraudulent welfare recipient may be required to pay the department the amount that has been received under fraud.

Investigators are said to be checking with employers of

welfare recipients to insure that they are reporting accurate income figures and that additional income is not being omitted from reports. This is being done, as well as personal contact with recipients.

Jones County has 603 people listed as active welfare cases.

Total payments for welfare in Jones County, including food stamps, medical assistance, cash payments, etc., amounted to \$1,664,791 last year.

Funeral Services Held Monday for Charles Smith, 77

Charles Edgar Smith, 77, a Hamlin resident for 61 years, died Saturday at 10 a.m. at Hamlin Memorial Hospital. He was a retired Service station operator.

Funeral was held Monday at McCoy Chapel of Memories with David Giddings, minister of the Hamlin Church of Christ, officiating.

He was born Feb. 2, 1898, in Eastland County, son of the late Mr. and Mrs. Ben Smith.

He married Nova Farmer at McCaulley, Dec. 12, 1975.

Survivors include his wife; one son, Irvin of Haskell; one sister, Effie Wright of Mangum, Okla.; one grandchild and one great-grandchild.

Burial was in Hamlin East Cemetery.

Pallbearers were Jerry Pritchard, Jimmie Wright, Bill Davis, G. O. Selph, A. L. Gamble and H. R. Daniell.

Funeral Services Held Saturday for Ernest Lee, 76

Funeral for Ernest L. Lee, 76, was held Saturday, Sept. 6, at 2 p.m. in First Baptist Church. Mr. Lee, a retired Celotex employee, died at 1:20 a.m. Friday, Sept. 5, at Stamford Memorial Hospital in Stamford.

Born Dec. 1, 1898, in Timbo, Ark., he was the son of the late Mr. and Mrs. James Lee. He had lived in Hamlin since 1920.

He married Evalena Hunter in Hamlin Feb. 11, 1942. She died Mar. 21, 1965.

Survivors include one son, Ernest Lee Jr. of Burleson; three brothers, Noel Lee of Girard, Lawton Lee of El Paso, Harold Lee of Hamlin; one sister, Mrs. Aratha Hester of Abilene; three grandchildren and one great-grandchild.

Pallbearers were Clarence Hyer, W. P. Cooper, Jesse Sauls, D. O. Waymire, H. S. Stovall and A. E. Killian.

Neinda Philosopher Comes Up With A Far-Out Solution to the Problem of School Busing

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One tackles the busing problem this week. He may have been thrown for a loss.

Dear editor:

I have been following the controversy over school busing around the country, whether it's in the cultural North or the backward South, and the problem seems to be the same, the people just as divided and the tempers just as raw, with the answers just as elusive.

This may be because the people aren't thinking, or because, some parents argue, the decisions are generally turned over to a Federal judge with a life-time appointment whose children are already grown.

Now of course it's hard if not impossible to explain to a parent why his child can't step across the street to a nice school already there, instead of having to ride a bus clear across to the other side of the city, while the kids over there ride a bus to the school across the street. You can't blame him for thinking such a plan must have been thought up by the bus manufacturers.

Now there's nothing wrong with riding a bus to school, it sure beats walking two miles to school when you and I were young. Or was it five miles?

But ride one when the school's right across the street? There's the rub. So the answer is to eliminate that school. Maybe make a library out of it. And then have just one school for everybody. The thing to do is for Boston, for example, to erect one school in the middle of the city, 20 stories high or

however high it takes to hold all the school kids the town's got, with plans for adding more stories if the population keeps growing. You finish one grade, you move up a story, until finally you come out on the roof, fully educated.

Thus everybody goes to the same school, everybody rides a bus, the police can go about their regular work, the mayor can hunt for more taxes, and parents can have an extra hour of freedom mornings and afternoons while their kids are en route to and from the heart of the city.

If you argue that that many buses will clog the streets, I'll

remind you that the streets are already clogged, and besides, if engineers put their minds to it, they could devise pneumatic tubes extending spider-web-like out from the 20-story school, with parents encasing their kids in plastic cocoons and shooting them to school in record time. A computer could make sure they took the right tube back home. Be safer than walking across the street. On reaching the school in the mornings they could all land in one big room in the basement, intergraded like never before.

Yours faithfully,
J.A.

NEWS FROM ... McCaulley

By Mrs. Fred Kemp

Open House at McCaulley School was cancelled Saturday night due to the heavy rains. Since Homecoming will be Sept. 27 another date for Open House will be announced later.

McCaulley Eagles were defeated by Benjamin Friday night. However, the boys showed much improvement and great spirit even though they played on a very muddy field and in the rain. This week they have an open date.

Mr. and Mrs. Guy Kemp of Roby visited in the home of Mr. and Mrs. Fred Kemp Saturday night.

Mr. and Mrs. Charles Ferguson drove to Muleshoe Sunday to visit Mr. and Mrs. Kenneth Ferguson and Chris. They were accompanied by Mr. and Mrs. W. J. Kemp of Hamlin. On their way home they stopped by Spur for a visit with the Don Fergusons.

Mrs. Faye Andress of

Hamlin spent Saturday night with Mr. and Mrs. Albert Maberry and Mrs. J. F. Maberry.

Mr. and Mrs. Albert Maberry and Gordon are to attend a birthday dinner honoring Albert and Jana Ross in the home of Mr. and Mrs. Sid Ross of Abilene Tuesday night.

McCaulley methodists have a new pastor, Rev. David Binkley of Abilene. Rev. Binkley has been delivering some very good messages. Come on over and hear for yourself next Sunday.

The Edd Farmers were happy to have Vivian and Eddie home from college this weekend.

The Ronnie Jeffreys of Hamlin were visitors in the home of Mr. and Mrs. Rickey Jeffrey last week.

McCaulley School pupils visited the West Texas Fair from 2:30 p.m. until 10 p.m. this year. They seemed to enjoy seeing the fair activities in the evening.

The Homecoming committee has been very busy getting invitations out to all the ex-students and teachers they can locate. If you don't get your invitation come on anyway and register and next year your address will be available. We hope to make this the best homecoming yet.

Mr. and Mrs. John Edd Reed spent the week end with Mr. and Mrs. Bobby Smith and children of Fredonia.

Class elections will be held today (Thursday) during fifth period at McCaulley High School. At 1 p.m. today a representative for annual, rings and invitations will meet with the students.

At 3 p.m. today Mr. Chambers, Max Kemp and Kenny Smart will attend the in-service FFA meeting in Hamlin.

Rheumatic and Arthritic Pain can strike the joints in any of the indicated areas (see arrows on chart)

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

One cannot help being very proud of the people of Hamlin following last Thursday's election. Not only because of the overwhelming support they gave to the major bond issue, but also for the large turnout of voters.

In this day of inflation, it is not easy to go to the polls and vote yourself a tax increase. But then people don't really mind the taxes they pay locally and can see the results. It is all the taxes that we have to pay that we really can not see any results from that hurt the most. And these are the ones that we do not get to vote on.

Again, let me say that I am very proud to be able to call Hamlin home.

A clothing manufacturer has expressed an interest in locating a plant here in Hamlin, but wants to see if there are enough prospective employees to staff his plant before making the decision on locating here.

For this reason, the Hamlin Industrial Team is conducting a labor survey and if you would be interested in working in a sewing factory please fill out the survey form that will be found elsewhere in this issue. The questionnaire is not binding and would only indicate the labor supply available here.

It would be up to the manufacturer to do the hiring when and if he decides to locate here. He is especially interested in people with experience in any kind of this line of work. If you are presently working in one of the area plants but would like to cut out the driving time then you should by all means fill out one of the surveys.

This is the first industrial prospect Hamlin has had since the Industrial Foundation was formed last year and the Industrial Team began its training program. Naturally, those who have worked many hours on this project hope that those of you who are interested in this kind of work will take the time to fill out the questionnaire.

Since this column has been on the more serious side for the past few weeks we thought it might be time to switch over to a lighter vein and felt you might enjoy the following:

Only a short time ago the editor of a paper in Indiana grew tired of being called a liar and announced that he would begin telling the truth in the future. The next issue of the paper carried the following items:

1. "John Coyle, local grocerman, is doing a poor business for a good reason. His prices are high, his store is dirty, and his clerks are insolent. How can he expect much?"

2. "The Rev. Bob Jones preached Sunday night of 'Charity.' He'll need all the charity he can get from his congregation because his sermon was so poor."

3. "Dave Conkey died at his home here Tuesday night. The doctor called it heart failure, but those who know say whiskey killed him."

4. "Married-Miss Sylvia Rhodes and James T. Colvin, last Sunday at the Baptist parsonage by the Rev. Gordon. The bride is very ordinary town girl who doesn't know any more about cooking than a jackrabbit and never helped her mother three days in her life. She is not a beauty by any means and has a gait like a duck. The groom is an up-to-date loafer. He has been living off the 'old man' at home all his life and is not worth having. A dim future for the couple is predicted."

5. "Died-Aged 56 years, six months and 13 days. Deceased was a mild-mannered pirate who came here in the night with another man's wife and joined the church at the first chance. He owed us several dollars for his paper. was indebted to most everyone else in town, but you could hear him praying six blocks away. He died singing 'Jesus Paid It All' and we think he is right, because the deceased never paid anything himself. He was buried in an asbestos casket and his friends threw palm leaf fans in his grave

—Continued on page 4

1975 CF POSTER BOY—Matthew Acklin, 3-year-old son of Mr. and Mrs. Wesley Acklin of Abilene, takes daily lung-misting treatments for cystic fibrosis at his home. Matthew is the 1975 poster boy for the CF campaign. The drive will be held Monday. Wesley Acklin is a 1959 graduate of Hamlin High School. He and his wife give the child 20-minute percussion treatments daily and 30 minutes is spent on the lung-mist machine to keep the development of his CF at a minimum.

HERE MONDAY EVENING—

Cystic Fibrosis Sets Door-to-Door Drive

The door-to-door drive for Cystic Fibrosis will be held Monday from 5 to 8 p.m., according to Mrs. Robert Perry, local chairman.

Twenty-two volunteers will be working in the drive. The workers met Monday evening at an informal coffee at Mrs. Perry's home to get materials and information for the canvass.

Most of the businesses have been contacted, Mrs. Perry said.

A story by Bev Morgan in the Sunday morning Abilene Reporter-News was written about three-year-old Matthew Acklin, son of Mr. and Mrs. Wesley Acklin, 1535 N. Eight Street, Abilene. Acklin was a 1959 graduate of Hamlin High School. His parents, Mr. and Mrs. I. D. Acklin, former Hamlin residents, now live in Anson. His sisters, Mrs. Danny Warner and Mrs. Ray Scifres, live here.

Young Matthew also appeared with his father when he was interviewed on a Monday noon tv talk show in Abilene.

Acklin said, "I just feel we're lucky that he (Matthew) doesn't have it (CF) in his lungs. I have faith that before he gets to be a teen, they'll come up with

something that will either stabilize or cure it."

Matthew's disease was discovered when he was 19 months old, when a sweat test was made. The salt content of a cystic fibrosis child is about four times the normal child's.

Cystic fibrosis is an incurable genetic disease. It is inherited when both parents carry the recessive gene for the illness. But, Acklin said, "There is no way to know."

The Acklins have two other children, Scott, 8, and Georgeanne, 6, but they were from Mrs. Acklin's first marriage.

Matthew gets a special medication and diet and takes daily lung-misting treatments at home.

TABLES GAS RATE INCREASE—

City Accepts Oil and Gas Lease On West Lake Land

The City Council accepted the bid of Sojourner Drilling Corporation of Abilene for an oil and gas lease on 273.69 acres of city-owned land and tabled a request for a rate increase from Lone Star Gas Company at their meeting here Tuesday evening.

Sojourner Drilling Corporation was the high bidder on leasing the city-owned land around the city's West Lake. Sojourner offered the city a \$30.00 per acre bonus

and will pay \$1.00 per acre rental for each of the four remaining years on their five-year lease.

The bid also included the standard one-eighth royalty on production from the lease plus an additional 1-32nd—making a total royalty to the city of 5-32nd.

Byron Swank, local manager for Lone Star Gas Company, appeared before the council to request a 9.8 cent per 1,000 cu. ft. increase in the local gas rate. This would be in addition to the 10-cent increase granted by the council in June.

The first increase was granted on the basis of a temporary order of the Texas Railroad Commission. Shortly after the local council approved the temporary increase the Railroad Commission issued a final order calling for a total increase of 19.8 cent increase.

Swank said that Hamlin was one of the few cities within the system that had granted the temporary increase before the Railroad Commission made their final ruling. He said that all of the cities within the area have either granted the total in-

crease or are in the process.

The combined increase would be 5.8 percent and would increase the cost of gas for a customer using 10,000 cu. ft. a month a total of \$1.97.

The Railroad Commission order authorizes an automatic 85 percent pass-on of increased gas costs adjusted monthly. This compares with a 65 percent semi-annual adjustment provision previously authorized for Lone Star.

McCaulley Homecoming

McCaulley Homecoming is set for Saturday afternoon, Sept. 27. Activities will get in full swing in the McCaulley Gymnasium at 2 p.m.

A Homecoming King and Queen will be selected at the meeting to be crowned at half-time of the football game between McCaulley and Guthrie which will begin at 8 p.m. A bar-b-que dinner complete with homemade dessert will be served at 5 p.m.

A representative of the firm said here Friday when he met with members of the Industrial Team that naturally the firm was interested in as many trained sewing factory workers as possible because it would speed up the time it would take to get the plant in full operation.

A labor survey form can be found elsewhere in this issue of the Herald and additional forms will be available in different locations around town.

THE HAMLIN HERALD

HAMLIN, JONES COUNTY, TEXAS, 79520, THURSDAY, SEPTEMBER 18, 1975

VOL. 70, NO. 47

PRICE 14¢

BUT TURN DOWN TRACK—

Voters Approve School Building Bond Election

Hamlin Independent School District voters approved the issuance of \$1,250,000 in bonds for the construction of a new middle school and auditorium but turned down the issuance of \$75,000 for the construction of a track.

Voters approved the school construction program 458 to 284 and turned down the track proposition, 394-341, in the election held at the Public School Gymnasium Thursday.

Bob Hawes, Hamlin School Superintendent, said here Tuesday that the architectural firm of Rihard

and Huckabee of Andrews expects to have final plans and specifications for the project completed for the Oct. 13 school trustee meeting. If the board approves the final plans at that meeting, Tommie J. Huckabee said the board could begin advertising for bids and set a tentative date of Nov. 13 for letting the contract on the \$1,750,000 building and remodeling program.

Supt. Hawes said that he had been informed by the architectural firm that it would take about 12 to 14

months to complete the job, barring any delays. This would put the completion date around January of 1977.

In a meeting of the trustees here Thursday evening, the election results were approved by the board. The board also approved the Senior Educational Trip for this spring.

Meeting Monday To Organize Adult Vocational Classes

Adults of the Hamlin community who are interested in taking vocational courses are asked to meet at the high school Monday evening at 7:30. Vocational classes will be organized at this time.

The classes are offered as an extension of The Texas State Technical Institute at Sweetwater.

Instructors have been secured for classes in welding, building trades, and office practices. Other classes will be offered if there is sufficient demand, according to Marvin Carlton, local coordinator.

For more information, interested persons may call Carlton at 576-3472.

Carlton said, "Many people took advantage of these classes last year and the classes proved most successful."

Davis Weaver and Mrs. L. C. Bonds were named by the board to the Agricultural Advisory Committee.

The building program approved by the voters Thursday includes a new middle school, complete with a physical education plant and a vocational education facility, a 900-plus seat auditorium including a new band hall to serve both the new middle school and the present high school, air conditioning of the three older buildings used by the school and converting the high school patio into a resource center.

When the project is completed in early 1977, all of the school's classrooms will be served by year-round air conditioning.

RAINFALL ABOVE AVERAGE

Rainfall during the past week, Friday through Monday, totalled 2.95 inches, according to Bill Rountree.

Rain earlier in the month adds .45 to the amount to make a total of 3.40 for September. This amount brings the total of the year to 19.05, above the average for Hamlin which is 18 inches.

The front which moved in Friday brought cooler temperatures. Dense fog Tuesday morning made driving to work hazardous as visibility was cut to one block on West Lake Drive.

HONORED BY CANCER GROUP—

Mrs. LaFoy Patterson, center, and Mrs. George Kinney, right, were honored Sept. 8, at a meeting of the county chapter in Stamford when David Walsh, executive director of District 16, American Cancer Society, Texas division, presented the awards. Mrs. Patterson, county chairman of last year's campaign, and Mrs. Kinney, chapter president, were honored for their service to the unit. Under Mrs. Patterson's leadership the county had a record amount collected, a total of \$5441.01. Hamlin's donations led the county with \$1855.54. Stamford was next with \$1820.21. Others contributing were Anson, Lueders, Avoca, Hawley and Fort Phantom.

Pipers to Play At Clyde Friday

The Pipers will travel to Clyde Friday night looking for their third win of the season and the chance to avenge last year's loss to the Bulldogs. The Bulldogs upset the Pipers here last year, 8-7, in the mud.

The Bulldogs are one and one with District 6-AA foes this season as they defeated Winters in their opener, 33-0, and then lost to the Stamford Bulldogs last week, 26-8.

The Bulldogs run from the "I" formation with Jackie Brown (150 pounds) running

the offense from his quarterback position. Curtis Chiappone (174 pounds) is the fullback and is rated as a tough runner and a good blocker. The halfback or blocking back is Stan Petrusky (144 pounds).

At left end will be Billy Dugan (164 pounds) and at right end will be Miller Scott (164 pounds). Dugan is the favorite receiver for the Bulldogs. At left tackle will be Mark Hogan (181 pounds) and at right tackle will be

David Roberts (187 pounds). At left guard will be Dewayne Pierce (168 pounds) and at right guard will be Mike Hogan (198 pounds). At center will be Steve Holcomb (167 pounds).

On defense the Bulldogs will go with a front four of Scott (164 pounds), David Self (139 pounds), Russell Bland (192 pounds) and Mark Hogan (181 pounds). The three linebackers will be Doug Watkins (159 pounds), Mike Hogan (198 pounds) and Fred Lipham (155 pounds).

The four defensive backs will be Dugan (164 pounds), Ricky Rose (147 pounds), Buddy Moore (140 pounds) and Brown (150 pounds).

Last week while Hamlin was defeating Haskell, 20-0, and Stamford was defeating Clyde 26-8, Colorado City was winning over Sweetwater, 3-0. Winters won over Merkel 13-7. Ballinger defeated Reagan County, 14-0, and Coahoma lost to Post, 20-0. The Anson-Rotan game was delayed until Saturday night with Anson winning, 22-14.

Why discard your beach ball when its bounce is gone — Though it's old and torn, it's value lingers on!

Town Tote
Remove the patch from one end of the ball. For petals, cut down along seams about 5"; then cut each section into a petal shape. Immediately below the petals, stitch bias tape around the ball. Insert metal eyelets (available wherever sewing notions are sold) into the tape following the directions on the package.

For drawstrings, lace two cords through the eyelets, lacing each in an opposite direction.

To give the bag shape, insert and glue a plastic lid from a two-pound coffee can inside the bottom of the bag.

Make-up Cape
A beach ball, cut in half around the middle, provides material for two make-up capes. Then, for

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

The Hamlin FFA Chapter will host a meeting of the Double Mountain FFA Association today (Thursday).

Chapter officers and other interested members from the 15 district schools are expected to attend. The theme of the meeting is leadership.

District schools include Anson, Aspermont, Hamlin, Haskell, Hawley, Hobbs, Lueders-Avoca, McCaulley, Paint Creek, Roby, Rochester, Rotan, Rule, Stamford and Weinert.

Appearing on the program will be Bennett Cook of Aspermont, Area II FFA president; Kayla Mehaffey of Hamlin, Double Mountain District FFA president; Dr. Jerry Stockton of Lubbock, teacher trainer from Texas Tech University; Hulan Harris of Big Spring, Area II Supervisor; and Charles Kirkpatrick of Aspermont and Milburn Wink of Hamlin, Vocational Agriculture teachers.

The Hamlin Pied Piper footballers travel to Clyde to battle the Bulldogs at 8 p.m. The Pipers hope to continue their momentum after slogging past Haskell last week, while Clyde wishes to bounce back from a Stamford loss.

The Pied Pipers scalped the Haskell Indians Friday

night 20-0 in Piper Stadium under pouring rain and on a mud-sloshed field.

The Hamlin junior varsity traveled to Haskell Thursday night to settle with a 6-6 tie with the Indians. At halftime Hamlin led 6-0, but early in the third quarter the Haskell squad scored to knot the final score.

School pictures will be taken Thursday morning. All students in the high school will be involved, except the seniors who posed for portraits earlier. The photographer urges all involved to wear clothing that will show up well in color. These pictures will be used in the 1976 Piper, the school's yearbook.

Hamlin High representatives at the West Texas Fair in Abilene last week included Guy Turner in the calf scramble and Kayla Mahaffey in the "Register of Merit" section of the stock show. Kayla showed a Hereford heifer that finished 17th of 28.

The Bride's Book of Etiquette, the complete wedding etiquette from engagement to honeymoon. \$1.45 at THE HAMLIN HERALD.

FHA Annual Salad Supper Held Monday

The Hamlin Chapter of Future Homemakers of America met Monday night in the high school cafeteria for the annual Mother-Daughter Salad Supper and formal installation of officers.

Jan Ford, president, presided. As the officers were installed each officer gave one of the purposes of FHA.

Other officers for the 1975-76 school year are Cindy White, first vice president; Patrice Moore, second vice president; Lisa Howard, third vice president; Debbie Light, fourth vice president; Elise Kelley, fifth vice president; Lisa Absher, secretary-treasurer; DeDe Young, historian; Debra Hollis, parliamentarian; Julie Jeffrey, Sergeant-at-Arms; and Elaine Carlton, pianist.

New freshman members were formally inducted.

Miss Harrison Honored With Shower Here

A Pots and Plants shower honoring Carolyn Harrison, bride-elect of Mike Robbins, was held Thursday, Sept. 4, in the home of Mrs. O. H. Weaver Jr. Other hostesses were Mrs. John D. Ferguson Jr. and Mrs. C. R. Reynolds Jr.

Guests were served from a polished table decorated with a hanging basket of artillery fern.

Honored guests were Mrs. Mrs. James Harrison, mother of the honoree, Mrs. Jack Robbins, her fiancé's mother; and Marilyn and Linda Harrison, sisters of the bride-elect.

The couple will be married Oct. 25 at First United Methodist Church.

Bridge Winners

First place winners in Tuesday evening competition of Hamlin Duplicate Bridge Club were Mrs. G. W. Comegys and Mrs. Dale Lain. Winning second place were Mrs. Gene Knabel and Dale Lain; and third place went to Mrs. Harvey Elkins and Teola Simpson.

PTA Magazine and Herald Drive, Oct. 10-20.

Favorite Recipes

By Barbara Craig

Several recipes were received this week for this space. Dorothy (Mrs. Vernon) Johnson gave us two recipes and Wanza (Mrs. Eugene) Baker brought two that she received at a family gathering.

Mrs. Johnson brought a sample of the Rum Cake which the Herald staff enjoyed.

RUM CAKE
by Dorothy Johnson
1/2 c. chopped pecans
1 box yellow cake mix (18 3/4 oz.)
1 instant pudding mix (3 3/4 oz.)
1/2 c. dark rum
1/2 c. water
1/2 c. salad oil

4 eggs
Combine and beat two to four minutes. Pour into Bundt pan. Bake at 325 for 50 minutes to an hour. (May be baked in two Bundt pans.) Pour Rum Glaze over hot cake. Allow cake to cool in pan 30 minutes.

RUM GLAZE
1 c. sugar
1/2 c. butter or oleo
1/2 c. dark rum
1/4 c. water

Combine all ingredients and boil 2 minutes. Pour over hot cake.

CHERRY PIZZA
by Dorothy Johnson
2 cans sour cherries
1 box yellow cake mix
1 one-third c. sugar
1 1/2 sticks oleo or butter, melted
1/2 c. chopped pecans
2 T. white syrup
Butter 12 x 14 oblong pan. Pour cherries into pan, stir in syrup and sugar. Over this sprinkle dry cake mix, then spoon melted oleo over mix. Add chopped pecans last. Bake 50 minutes in 325 degree oven.

Story Hour Set Today At Library

Story Hour for children ages 3 to 5 will begin today (Thursday) from 3:30 to 4 p.m. in Harden Memorial Library, according to Mrs. John Feguson Jr., Story Hour chairman.

Mrs. Roy Pritchard, president of the Young Homemakers, and other YHT members will be assisting with the weekly project.

Stories, finger games, the pledge of allegiance and other activities are planned for the pre-school children each Thursday.

Mothers may bring their children at 3:30 and return for them at 4.

25 Attend Salad Supper Here Sept. 9

Twenty-five ladies attended the first monthly salad supper of the season Tuesday night, Sept. 9, at the Hamlin Church of Christ.

Pat Blankinship, Ione Cheshier and Sybil Wade were hostesses for this first meeting. The tables were attractively decorated with miniature bonnets and English Ivy.

Mrs. Faye Self of Roscoe presented the program of slides from Australia. Mrs. Self and her husband, Thurman, recently returned from six years of successful mission work in Australia. Mr. Self now preaches for the Church of Christ in Roscoe.

Ladies Salad Suppers are held monthly on the second Tuesday of each month at 7 p.m. All ladies of the community are invited to attend the suppers.

Friends Class Meeting Held

Mrs. Cecil Sellers was hostess for the Tuesday, Sept. 9, meeting of Friends Sunday School Class of First Baptist Church. Mrs. Ray Johnson was co-hostess.

Mrs. J. E. McCoy Jr., outreach leader, presided. The devotional, "Gee Whiz, I'm Old" by Agnes Tylant, was presented by Mrs. Albert George. She was presented a gift.

Mrs. Sharer gave the closing prayer.

Holiday Lodge News

Weekly events at Holiday Lodge now include a program presented by Mrs. Joe Simpson each Wednesday afternoon. Refreshments were served this week.

The Rev. Marshall Stewart gave the Sunday School lesson and the Rev. Leo Scott, pastor of Oak Grove Baptist Church, conducted the afternoon church service.

Another group conducting a bi-weekly sing along will be ladies from Calvary Baptist Church. In the group Monday evening were Mrs. L. B. Bruner and Michella, Mrs. Garland Payne, Beverly Carter, Sherry Carter, Treva Pettit and Ann Cunningham.

Tuesday was Mrs. Hymer's birthday and her children were with her. She is the only one to celebrate a birthday this month. She was born Sept. 16, 1882.

Brunch Held Here Sunday For Couple

Jan Young and Charlie Sellers were honored at a brunch Sunday, Sept. 7, in the home of Mr. and Mrs. John Ferguson Jr. Other hosts were Mr. and Mrs. Joe E. Ford, Mr. and Mrs. Johnny Jeffrey and Mr. and Mrs. Parker Kelley.

The polished serving table was centered with an arrangement of white gladioli and gypsophila in a silver bowl. Appointments were silver and crystal.

The brunch menu was Deviled Eggs Au Gratin, pickled black-eyed peas, apple muffins and party cheese cakes.

Special guest were Miss Young's parents, Mr. and Mrs. Gerald Young, her brothers, Michael Young and Gerry Young, her sister, DeDe Young; Mr. Sellers' parents, Mr. and Mrs. Cecil Sellers, his sister, Sue Sellers, and his brother and sister-in-law, Mr. and Mrs. Cecil Sellers Jr. of Sweetwater.

The couple will be married Saturday evening at 8 in Holy Trinity Catholic Church.

Plans are being made for a Halloween Party at the Lodge. We would like to ask young volunteers to help with a party Oct. 27. Anyone who can help with this type of project may contact Mrs. Buddy Lawlis at 576-3643.

Another need at the Lodge is for yarn remnants to be used in craft sessions, Mrs. Bonds said.

Homemakers Class Meets Here Monday

Mmes. Melvin Scott, Kenneth Young and Rex Reynolds were hostesses for the Monday evening meeting of Homemakers Sunday School Class in the parlor of First Baptist Church.

Mrs. Bo Newland, outreach leader, presided.

Report of the Mission Action committee was made by Mrs. Bob Craig. Several projects were outlined and plans for the continuing bi-weekly Bingo games at Holiday Lodge were discussed. Visitation of members was discussed and the teacher, Mrs. Bill Shira, gave suggestions for this phase of the class' activity.

Mrs. Craig gave the devotional on "The Needs of the Individual."

Baptist Women Meet Monday

The night group of First Baptist Women met Monday, Sept. 8, in the parlor of First Baptist Church.

Mrs. George Werner sang "Reach Out and Touch" to open the program. She was also pianist.

Mrs. Melvin Scott gave the call to prayer. Mrs. Bill Shira gave the program on "See the Multitudes in Texas, Pray and Give \$1,234,567.89 for State Missions."

Others attending were Mmes. Andy Brown, Bobby Stubblefield, Albert Haught, Howard J. Jones and Herman Sharer.

Mrs. Jones gave the closing prayer.

Xi Gamma Pi Holds Salad Luncheon

Xi Gamma Pi chapter of Beta Sigma Phi met in the home of the club president, Mrs. James Harrison, Saturday at 12:30 p.m. for a covered dish salad luncheon.

Mrs. L. C. Bonds gave the invocation and Mrs. Harrison presided following the luncheon. Mrs. Bonds stressed the need for each member to bring any saleable item such as household or farm equipment, or whatever they might be able to donate to the auction to be held Oct. 4, for the purpose of raising funds needed for the Day Care Center. She also urged the continued support of the waste paper to be placed in the BCD trailer on the downtown parking lot.

Those present were Mmes. W. T. Johnson, Gerald Young, M. L. Smith, C. Weldon Griggs, John C. Bryant, Bob McKissack, Howard Mehaffey, Cecil Sellers and L. C. Bonds.

Next meeting will be Thursday, Sept. 25, at 4 p.m. in the home of Mrs. Bob McKissack for a regular meeting.

Tranquilina Rodriquez Ramirez, new daughter of Mr. and Mrs. Pedra S. Ramirez, Rt. 1, Hawley, was born Sept. 11 at 10:55 p.m. She weighed 9 lbs. 6 oz. Other children are Raquel, Pedro Jr., Graviela, Consuelo, Elena, Alicia, Lloyd and Norma. Grandparents are Mr. and Mrs. Trifon Rodriguez and Mrs. Marta Ramirez, all of Pearsall.

News deadline is noon Tuesday.

Young Adults

Ladies of the young adult Sunday School Class of First Baptist Church met Monday evening at 7:30 p.m. in the home of Mrs. Pat Willoughby.

Attending were Mmes. O. H. Weaver, Ronnie Hill, Bobby Howard, Robert Moore, Pat Willoughby, Louis Young, Dennis Anderson, Andy Brown, Larry McCoy, Doug Shearer, C. L. White, Howard Jones, Gary Finley and Davis Weaver.

FROM THE FILES . . .

FIFTY YEARS AGO

(Sept. 11, 1925)

The Quarterly Conference of the Methodist Church in called session Thursday night authorized the building of a new house of worship. A committee was appointed to solicit funds for this purpose, and a canvass will be made in order to secure the amount needed. The construction of this house of worship will meet a long felt need of the town of Hamlin and community. The progress of this new enterprise will be watched with keen interest by all the people.

Thursday there were quite a number of Hamlin people down at the Orient stations to see the first Orient Gasolene Motor driven passenger car pass down the line. This car was in charge of Harvey Allen, trainmaster, and a factory man. The new car will probably seat 50 to 60 persons, has good leather upholstery, very roomy and in the engine room there is room for quite a bit of baggage, express or mail. The engine is a six cylinder and is equipped with all the modern devices of speeds very much as a late model auto. It has five different shifts and is said to be able to attain a speed of 59 miles, and then automatically cuts off.

Miss Julia Fletcher, cashier for the local West Texas Utilities Company, left last Saturday night for her vacation outing in El Paso and New Mexico. She was accompanied by her sister, Miss Inez, of Abilene, who is also with the Utilities Company. Miss Cecelia Pluto will have charge of the books in Hamlin in the absence of Miss Julia Fletcher.

FIFTY YEARS AGO

(Sept. 4, 1925)

The first round bale to be reported ginned in Hamlin was that for J. A. Morris at the Pioneer Gin this week. Morris took 1060 pounds of seed cotton, got two round bales, both weighing 376 pounds, which sold for 25 cents. Seed brought \$30 per ton and Morris was greatly pleased.

The trustees of the Neinda school informed the Herald this week that they had let the contract for the rebuilding of the school building that was destroyed by fire last winter. J. S. Dean of McCaulley secured the job and a fine \$15,000 brick and concrete structure will be erected.

There has been plenty of amusement in Hamlin this week. The picture show, the skating rink and Tom's Comedians. This is a new tent show for Hamlin and from the appearance of the property, the style of characters and the plays, Tom's is measuring up to the best.

Last Tuesday night the Hamlin Chamber of Commerce met in regular monthly meeting. The Morgan Hotel was host and one of the finest dinners that the Club has ever had served to them was there that night. The "boys" who failed to be present certainly failed to get a good meal. Only 20 men were out, but there was no special attraction, just the usual time for eating and summing up a few things for the interest of the town and community. The country man is always welcome and there are many "city" fellows who should also take a hand.

an epidemic of the malady is expected to be diagnosed by tonight, when the first official tilt of the season is reeled off at Hamlin High School stadium. The game, between two picked teams of the Pied Pipers, who have been designated as the Greens and Whites, will begin at 8 p.m. under the lights before an expected crowd of several hundred fans.

Hamlin Schools got off to an auspicious start this week on the 1955-56 term of school when an even 1,000 students were reported signed up, which is one of the best first-week enrollments in the history of the school. By divisions, the following totals were tabulated for enrollment according to the office of Superintendent of Schools, Foster Cook: High School, 235 students; Junior High, 216; Elementary, 150; Primary 251; and DePriest School, 148. After six weeks of school last year there were only 1,007 students enrolled, so the present first week total is expected to be well above last year's average daily attendance, school leaders believe.

L. H. (Herman) McBride, longtime civic leader and businessman of Hamlin, this week permitted his name to be filed for a place on the City Council after urgings of friends for several days. His was the only name filed so far in the race to elect a member of the five-man council in a special election slated for Tuesday, Sept. 13.

TEN YEARS AGO

(Sept. 2, 1965)

Piper Patter, a weekly account of Hamlin High School activities published as a special feature of the Hamlin Herald, will be written this year by Pat Pope, Jane Ferguson, seniors, and Helen Moore, junior. The girls will be aided by Mrs. Charles Scott as an advisor.

The Pied Pipers will open their 1965 football campaign at Rotan Friday night under the direction of their new head coach Joe Youngblood. The Pipers and Yellowhammers will collide in the Rotan stadium at 8 p.m. The Pipers, running from a Wing T offense, will go into the game short on experienced personnel in most positions and will have several sophomores in the starting lineup.

A Labor Day Weekend Golf Tournament is being planned by the Lakeview Country Club Sunday and Monday afternoon, according to Joe Ford, chairman. It will be a Low Ball partnership tourney for local and city players. It will be an 18-hole match Sunday and 18 holes Monday with Sunday's play counting as a qualifying round and also on the two day's total. All local men are invited to play in the tournament and the entry fee will be \$3.00 with golf balls given as prizes.

A barbecue will be given for all Veterans of Foreign Wars and their families at 7 p.m. Saturday, Sept. 4, at the Hamlin V.F.W. Post 6014.

S

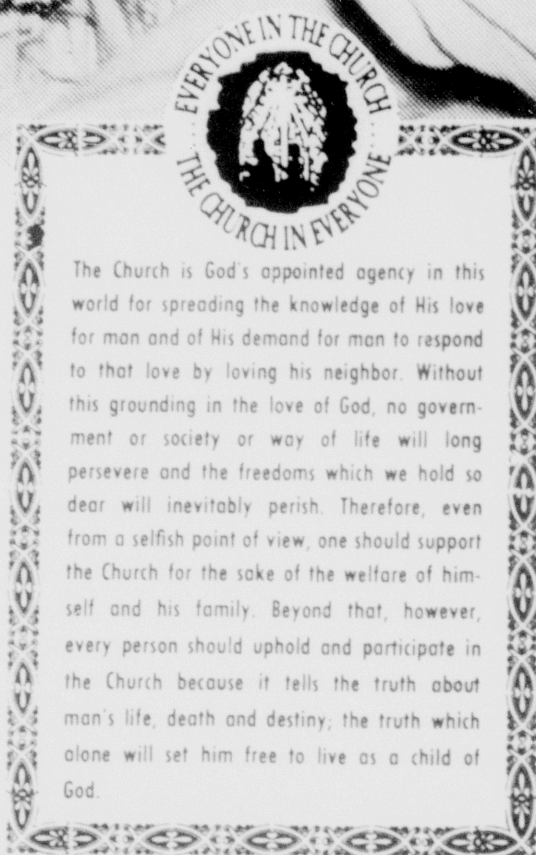

AFE AND SECURE

How confidently he sleeps. Mother and Daddy are in the next room. Teddy Bear is right beside him.

We, also, desire a feeling of confident security. We want to do good and live with honor in this life, free of the fear of falling into sin. God wants this for us, too. And He sees and knows how hard we try.

In the New Testament, Jude writes, "God is able to keep you from falling, and to present you faultless before the presence of His glory with exceeding joy."

Pledge yourself to Him and attend church this week.

Coleman Adv. Ser.

CAPITAL HIGHLIGHTS—

State Seeking Land Swap for Park

AUSTIN—A big state land trade has been proposed to obtain a scenic new park on 30-mile-long Matagorda Island.

Land Commissioner Bob Armstrong suggested the swap of 18,000 acres of state-owned land near Fort Bliss in El Paso County for the federally-owned share of the island.

A joint House-Senate committee unanimously decided the state should own the island which lies south of Port Lavaca.

The U. S. Air Force has decided it will not continue use of Matagorda as a bombing range, but the U. S. Interior Department wants it as additional refuge for the whooping crane.

Armstrong said Matagorda offers among the best sports fishing and hunting in the country, and it is within easy auto range of Houston, San Antonio and Corpus Christi cities.

Matagorda's beach is growing rather than expanding, the committee was told.

Federal holdings on the island total nearly 19,000 acres. The state owns 16,369 acres and private interests 15,570 acres.

Parks and Wildlife Commission Chairman Pearce Johnson questioned wisdom of the trade, however.

Rates Set

The State Insurance Board has set medical malpractice rates in the state's assigned risk pool 40 per cent lower than the industry asked for. Doctors insured through the risk-sharing pool will pay 18 to 20 per cent more than the highest rates charged by companies writing insurance voluntarily.

New rates for the Texas Medical Liability Insurance Underwriting Association (JUA) will cover physicians, surgeons, hospitals, podiatrists and nurse anesthetists who cannot obtain profession insurance on the open market.

The Board asked JUA to re-submit its rate filings, terming those first submitted excessive.

Base premiums for \$100,000-\$300,000 limits for non-surgical physicians in Harris County were set at \$1,800 and at \$1,200 for the same class of physicians in the rest of the state.

Rates were adopted for more than 30 classes of physicians and surgeons including doctors normally classified as "high risks."

Neurosurgeons and orthopedic surgeons will pay highest premiums—\$14,000 in Harris County and \$9,600 in the rest of the state. Harris County plastic surgeons will pay \$10,800, those in other areas \$7,200.

Hospital rates are \$420 per bed plus \$42 for ever 100 out-patient visits.

Constitution Aired

Secretary of State Mark White announced a program to encourage voter registration for the November 4 constitutional revision election.

White also said an all-out effort will be launched to encourage voters to study the proposed document.

Proponents and opponents of revision will outline their views at a conference sponsored by Texas Press Association, Texas Daily Newspaper Association and Texas Association of Broadcasters here Sept. 19.

AG Opinions

Texas Department of Public Safety may provide criminal history information to the State Bar of Texas and Department of Public Welfare to assist in licensing

responsibilities. Atty. Gen. John Hill held.

In other recent opinions Hill concluded:

—Texas Student Publications at The University of Texas is no longer a legal entity and cannot hire an attorney without regents' approval.

—Temporary and part-time state employees accrue sick leave, but leave for the part-timers is acquired on a proportionate basis.

—The Employees Retirement System of Texas may grant credit for service as a county attorney to a qualified member of the System.

—The Teacher Retirement System can purchase insurance for liability under the Texas Tort Claims Act. Insurance for the System's building, contents and papers may also be purchased, but workmen's compensation coverage may not be.

No Gas Shurgae

Texas should not have a severe natural gas shortage this winter, Governor Briscoe said after an organizational meeting of his new energy council.

The Governor said he does not believe Congress will allocate Texas gas to other states.

Briscoe and Lt. Gov. Bill Hobby urged more emphasis on developing new sources of energy—including solar, wind, geothermal and waste material burning.

Short Snorts

Texas officials filed suit in Washington in an effort to keep the state out of federal Voting Rights Act coverage.

An Austin district judge refused to grant a temporary restraining order sought by Texas Association of Proprietary Schools to prevent enforcement of new Board of Education rules.

Oscar Laurel of Laredo has resigned as Good Neighbor Commission director. ef-

fective December 31.

Sept. 21-27 has been designated Highway and Transportation Week.

Cigarette stamp taxes increased \$5.2 million in the last fiscal year — to a total of \$247.6 million.

Comptroller Bob Bullock said \$22.9 million in unemployment benefits were paid to jobless Texans last month.

Texas Animal Health Commission declined to change state regulations to comply with new federal standards for control of brucellosis in cattle herds.

Bake Sale Sat.

Young Homemakers will have a bake sale Saturday beginning at 9 a.m. in front of Piggly Wiggly Super Market.

Special orders may be placed by calling 576-3427, Mrs. Pat Willoughby.

Singing Sunday

The Third Sunday Singing will be held Sunday at 2 p.m. at Calvary Baptist Church, accoring to Mrs. Bessie King.

Several out-of-town singers are expected. Everyone is invited.

Brownies Tour Santa Fe Depot

Brownie Troop 354 toured the Atchison, Topeka & Santa Fe Railway Co. depot Tuesday afternoon. Lon Hughes, conductor, took the girls on a tour of the train engine and the caboose.

He explained how the train ran and all his duties aboard the train.

Leaders are Mmes. Thomas Welch, Johnny Waldrop and Ralph Ferguson.

NEW UNIFORMS—Drum majors for the Baylor University Golden Wave Band in new uniforms are David Stapp, left, a senior from Crowell, and Tony Lewis, a graduate student from Hamlin. They share the responsibility of leading the 200-member band during football game half-time performances this fall. Lewis, who is the son of Mr. and Mrs. E. E. Lewis, 708 N. W. Ave H, is working toward a master of music education degree at the Baptist university. He received a bachelor of music education degree cum laude in May from Baylor. He was drum major last year and served as a member of the band's governing council. He also has served as vice president and treasurer of the Baylor chapter of Kappa Kappa Psi, men's national honorary band service fraternity.

WHEAT TIME

WM 125

Hard Red Winter Wheat

(CROSS STRAIN VARIETY)

UNDER TEST CONTROL — WM 125 planted on maize ground in December and after a 30 percent hail damage produced 24.9 bus. of wheat. It made excellent grazing as well. (No fertilizer added) Test Plot at Hamlin, Texas

Also, many cattlemen and farmers claim that with its fast early growth, wide heavy leafing and extensive stooling, it is very near equal to those special grazing crops—plus producing outstanding yields of grain.

WM 125 resists loose smut and stem rust and shows only slight infection to leaf rust. WM 125 has a stronger straw strength and a longer straw during very dry years plus increased yields. (Try a little and see the job it does for yourself.)

New rates for long distance calls within Texas.

With Discount Periods and a new One-Minute Rate, you may be able to save money.

Rates for Long Distance calls within Texas have just changed.

For you—the telephone customer—it means most rates are going up.

But you may be surprised to learn that rate changes won't necessarily bring higher telephone bills.

Because with our new discount for dialing your own calls, you can better control your Long Distance costs.

In some cases, you may be able to save money on your Long Distance bill by taking advantage of these rates.

For example, there's a new one-minute rate on all calls that you dial yourself—without the operator's help.

Under the old rate, the initial rate period was for three minutes. Now on One-Plus dialed calls the initial rate period is one minute.

That means you can save by reducing the length of your call.

*DISCOUNT RATE PERIODS FOR ONE-PLUS CALLS WITHIN TEXAS							
	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
8 a.m. to 5 p.m.	Day Rate Period Full Rate						Eve 30% Dis- count
5 p.m. to 11 p.m.	Evening Rate Period 30% Discount						
11 p.m. to 8 a.m.	Night and Weekend Rate Periods 40% Discount						
NOTE: The Evening rate applies all day on the following holidays: New Year's Day, July 4, Labor Day, Thanksgiving and Christmas Day, except in instances where the holiday falls into Night/Weekend period. In this case, the lower rate applies.							
*On operator-assisted calls, the same rate applies at all hours on all days.							

Also, for the first time we are offering flat percentage discounts for Evening, Night and Weekend One-Plus calls.

Using the Day rate as the base, the Evening rates will be 30 per cent less. And, on

Nights and Weekends there will be a 40 per cent discount.

So, if you call later in the day or night, or on weekends, you're going to get the lowest rates possible.

But if you place calls through an operator, rates for these Zero-Plus calls will be higher, at any time—night or day. These include calls from a coin phone, collect, credit card and calls billed to a third number.

The initial rate period of three minutes will continue for these and other operator-assisted calls.

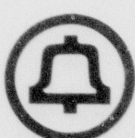

And, person-to-person calls will cost more than any other type call.

*EXAMPLE OF NEW RATES FOR MAXIMUM DISTANCES		
	# One-Plus	Each Additional One-Plus Minute
DAY RATE	50¢ or less	41¢ or less
EVENINGS 30% Discount	35¢ or less	29¢ or less
NIGHTS AND WEEKENDS 40% Discount	30¢ or less	25¢ or less
# One-Plus charges for 1 minute		
NOTE: One-Plus rates also apply on station-to-station calls placed with an operator where One-Plus facilities are not available		
*Rates quoted do not include taxes		

Simply put, if you dial the call yourself, you are going to get a lower rate. If you place your call through an operator, it will cost more.

Now our new rates offer you a choice.

By dialing your own calls and by taking advantage of our discount rate period, you can still get low rates and fast service.

THE NEW ARABIAN KNIGHTS

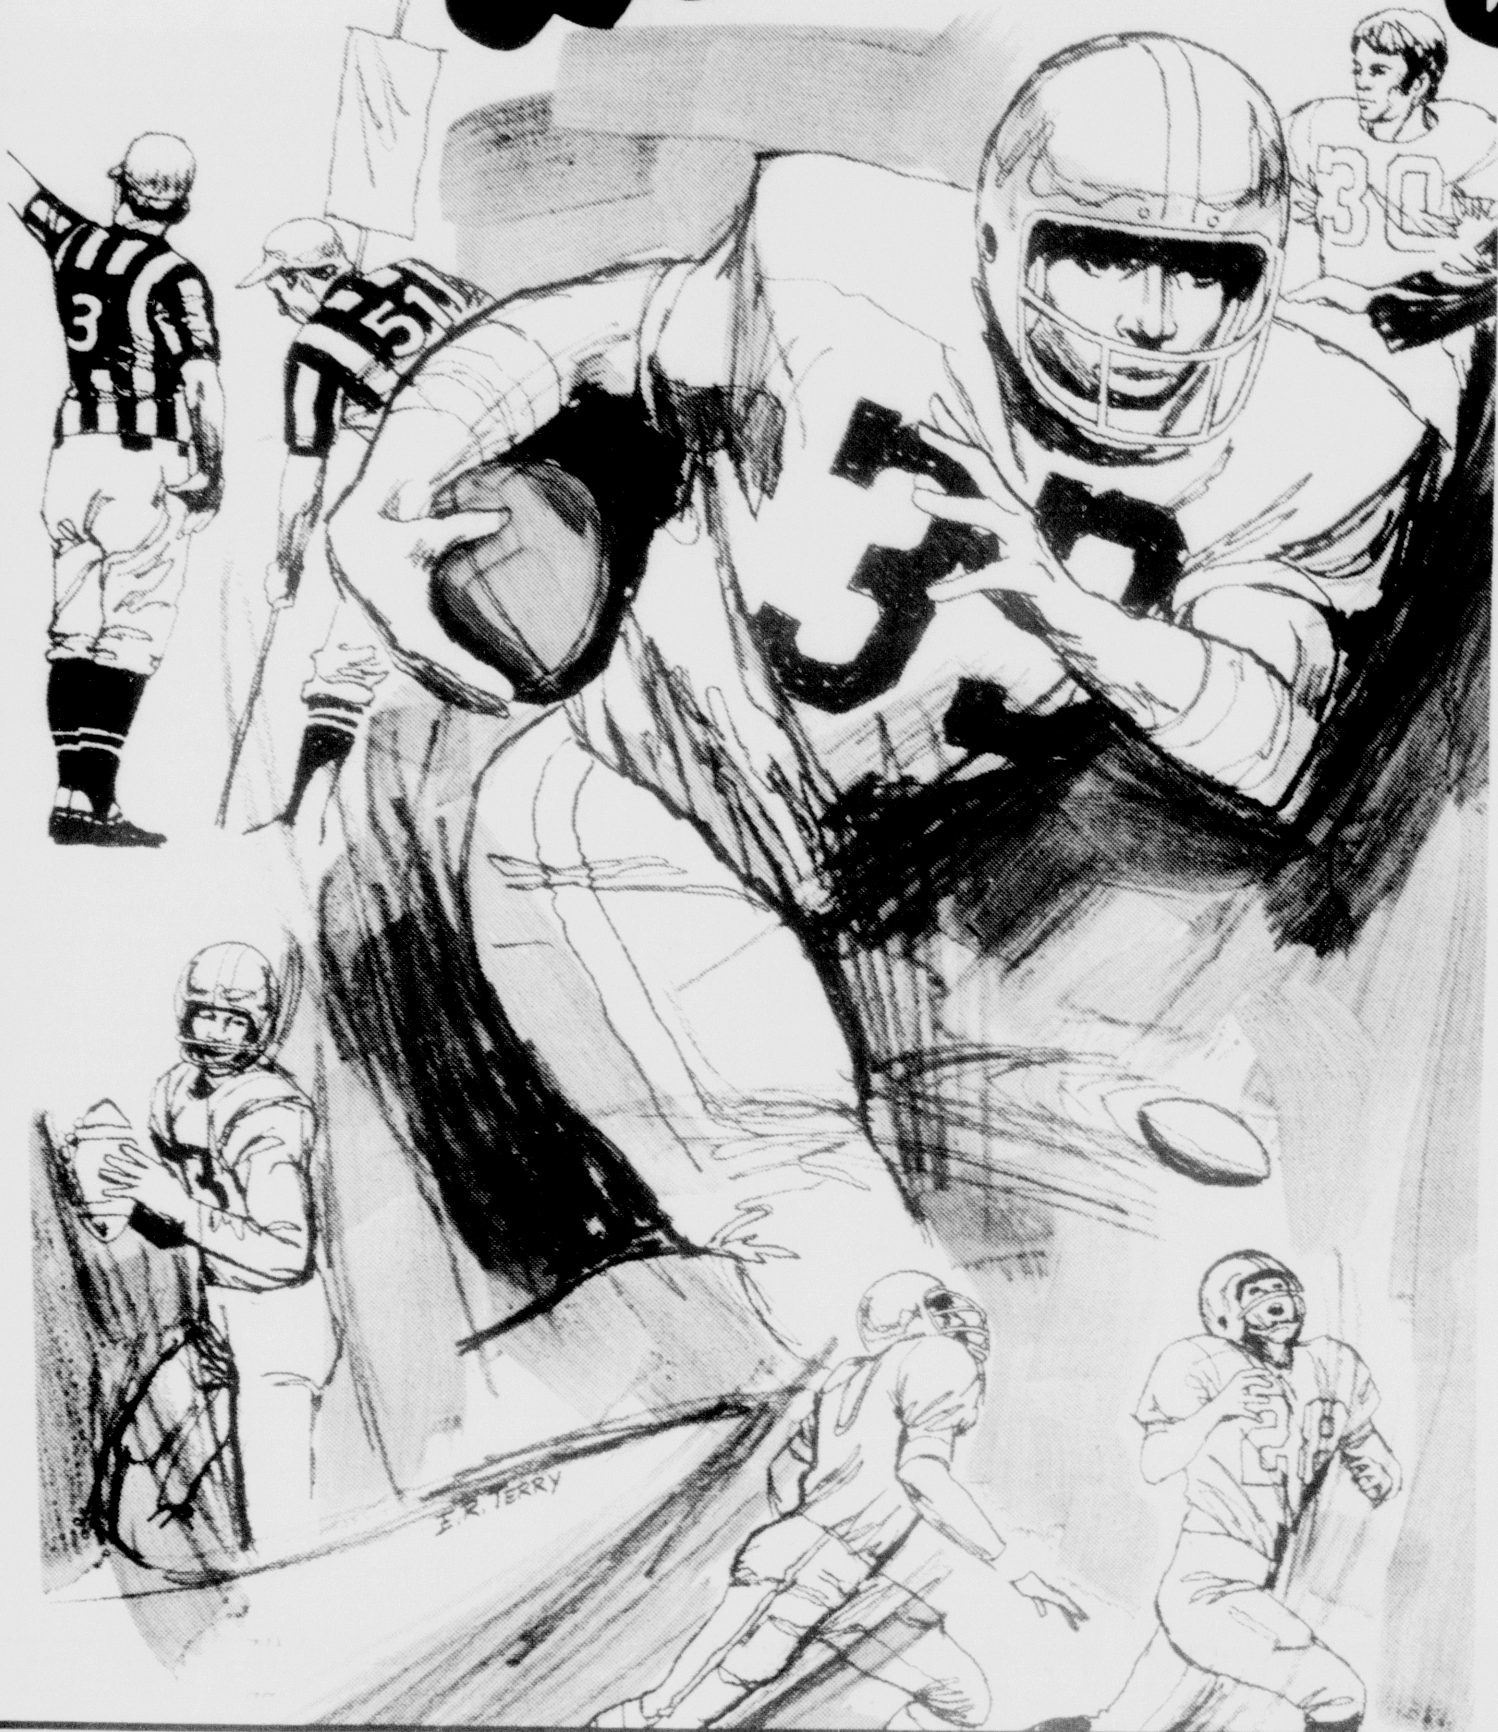

The exotic shieks of Ali Baba land own 70 percent of the World's oil. They have a pretty good idea of what it's worth and the people who generate our power are feeling the pinch. The result is higher costs to them and to us.

But the Midwest Electric Coop., more than 30 years ago, provided the "Open Sesame" that helped electrify rural Texas. Their continuing commitment is power at its lowest possible price.

MID-WEST ELECTRIC COOPERATIVE

Hamlin students will be taking subscriptions to magazines and the Hamlin Herald Oct. 10-20, for the Hamlin PTA's main money raising project.

it's kick off time!

Pipers Overpower Haskell In the Mud Friday, 20-0

The Pipers overpowered the Haskell Indians here Friday night in the rain and mud to take their second win of the season, 20-0. The Pipers rolled up 249 yards in total offense while holding the Indians to 95 yards.

Only a very limited crowd braved the bad weather as the two teams played on a rain soaked field in intermittent light showers and drizzle. The muddy field caused problems for both teams as they swapped out on fumbles lost with three each and were both plagued with poor footing for their running backs.

Delbert Thompson, the Piper's big fullback, was the night's leading ground gainer with 98 yards in 20 tries for a 4.9 average. The two fleet-footed halfbacks for the Pipers, Daniel Willis and Robert Phariss, shared scoring honors with Thompson as they each scored a touchdown. Willis carried the ball 15 times for 68 yards and an average of 4.5 and Phariss carried 12 times for 48 yards, an average of 4.0.

The Pipers were inside the Haskell 20 seven times while the Piper defensive unit held the Indians outside the penetration zone all evening.

The Indians won the coin toss but elected to kick to the Pipers to get the game underway. After two five-yard penalties for offsides and kicking out of bounds, the Indians kicked to Phariss who returned it to the Hamlin 40. Phariss gained two yards and then Willis broke loose for 24 to the Indian 34-yard line. Willis carried for another seven yards and then Phariss picked up a first down at the 22 on a five-yard carry. Phariss was stopped for no gain and then Thompson carried twice for a first down at the 10 on runs of four and eight yards. Thompson picked up four more before the Pipers muffed a handoff and gave up the ball on a fumble at the six.

In nine plays the Indians moved out to their own 36 before being forced to punt. A bad snap sailed over Rex Pittman's head as he tried to punt. He picked up the ball and while being chased by several Pipers, passed to Johnny Larned who was dropped for a nine-yard loss at the Haskell 27.

Phariss ripped off 15 yards

STORY IN FIGURES			
HAMLIN		HASKELL	
20	First Downs	6	
237	Rushing Yds.	103	
12	Passing Yds.	—8	
1 of 1	Passes	2 of 6

2 for 23	Punts	2 for 27.5	
5 for 67	Penalties	5 for 35	
3	Fumbles Lost	3	
HAMLIN	7	0	7
HASKELL	7	0	0

to the 12, Thompson added three more and then Phariss picked up an additional three. Thompson gained five for a first down at the one before Phariss took the option pitch from Gerald Rodgers and raced into the right corner for the touchdown. Alan Steele kicked the point after to give the Pipers a seven-point lead with 24 seconds left in the first period.

The two teams exchanged punts and fumbles during the second quarter as neither team could keep a drive going. The Indians managed to get inside the Hamlin 30 only twice during the night and one of these times came within this second period as they made it to the Hamlin 27 before Willis picked off a Chriss Love pass at the Hamlin six.

The Pipers took the second half kickoff with Phariss taking the kick at the five and raced down the right sidelines behind a good wall of blockers for 40 yards to the Hamlin 45. Thompson ripped off 11 yards to the Indians 44 and then Willis added three more before the Pipers were stuck with a 15-yard penalty to put them back on the 48. Phariss was stopped for no gain before Willis slipped through a host of would-be Indians tacklers for 19 yards and a first down at the 33.

Phariss carried for eight, Willis was stopped for no gain and then Thompson picked up a first down at the 21 on a three-yard carry. Thompson powered his way for seven and then Phariss gained another first down at the 10. With a first and goal, Willis was stopped for no gain and then lost eight as he had problems with the option pitch. Hamlin drew another 15-yard penalty to put them back on the 21. Phariss gained four and on fourth down Willis was stopped at the seven.

Taking over on their own

seven, the Indians mishandled the ball in their backfield with the Pipers recovering at the six. It took Willis two tries to get in for the second Piper score. His first carry was for five to the one and then he took the option pitch and raced across the goal line on the left side. Steele kicked his second point after to give the Pipers a 14-0 lead. Hamlin's score came with 2:53 seconds left in the third period with the Indians having run one play in the second half.

Following the kickoff, the Indians made it out to their own 49 before losing a loose football with the Pipers coming up with it at the Indian 44. Willis was dropped

for a yard loss before Rodgers picked up six and then Haskell drew a five-yard penalty to give the Pipers a first down at the 33. Russell May carried for six, Thompson picked up a first down on runs of two and five yards and then added another one on a run of 13 yards. Halfback Mack Lee had problems with a pitch out and lost nine yards to put the Pipers back on the 16. A five-yard penalty moved the Pipers on back to the 21 before Rodgers passed to Steele for 12 yards to the nine. Haskell drew a penalty to the five, Thompson carried to the one and then scored over right guard on the next play. Steele missed the point after

and the Pipers were ahead 20-0 with 6:59 left in the game.

The Indians ran one play from the 10 following the kickoff before fumbling to the Pipers at the 23. Lee picked up 18 yards to the six but the Pipers fumbled two plays later back on the 12.

The Indians made a first down at the 23, but then were held three plays in row for no gain and were forced to punt. Taking over at the 42, the Pipers sent Thompson into the line for four and then called on his backup, Stan Jones, who carried twice for gains of three and seven yards and a first down at the 28. Thompson picked up eight and then was held for no gain as the game ended.

Adult Course In Welding Planned Here

The Hamlin Vocational Agriculture department will again offer the Adult Basic Arc and Oxy-acetylene welding course in its shop facilities this fall. The course is funded by Texas State Technical Institute in Sweetwater through the Texas Education Agency.

The course is free of charge to anyone who is interested in learning or improving their skills in welding. The course is 90 hours long, running two nights per week, 3 hours per night, for 15 weeks. Students are to have 75 percent attendance in order to receive

THURSDAY, SEPTEMBER 18, 1975, PAGE 2
their certificate in basic arc welding.

The course was offered for the first time last spring and six students successfully completed the course. They were Weldon Johnson, Ray Johnson, Chano Guerra, James Cork and Ernest Jenkins, all of Hamlin, and Troy Bennett of Hawley.

The course will be taught again by Gary Finley, local Vo. Ag. Teacher. Anyone who wishes to take the course or those who have any questions, may call Gary Finley at home, 576-3787, or at school, 576-3624.

A target date for the organizational meeting has been set for Sept. 25, at 7:00 p.m. in the Vo. Ag. building, Finley said.

HELP SUPPORT the Day Care Center with waste paper.

Former Resident Has Brain Surgery

Tucker Newland, administrator of Teakwood Manor in Stamford, returned to his home, 910 Wells Stamford, last Friday, Sept. 12, after successful brain surgery at Methodist Hospital in Lubbock Aug. 25.

Newland, former administrator of Holiday Lodge here, is the son of Mr. and Mrs. W. S. Newland of Hamlin.

PIED PIPER BOOSTER CLUB MEETS TUESDAY 7 p.m. HAMLIN HIGH CAFETORIUM

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S.J.R. NO. 11) SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present dedication of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976.

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

Even with a full pig, I got an empty feeling inside.

United States Savings Bonds vs. the Piggy Bank.

1. If the Piggy Bank is stolen, you lose what's in it. That's the way it is with cash. If a Bond is stolen, you get a new one.
2. A Piggy Bank is easy for even its owner to rob. But Bonds can be bought through your Payroll Savings Plan at work, and a little is taken out of each check before you can get your hands on it.
3. The Piggy Bank may look kind and generous, but it won't give you any interest. A U.S. Savings Bond yields 6% when held to a 5-year maturity.
4. The Piggy Bank money just sits there. A Bond helps your country.

In summary, you might wonder why grown folks would even use Piggy Banks. It's so much smarter to buy Bonds.

Avoid that empty feeling. Buy U.S. Savings Bonds.

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.

Join the Payroll Savings Plan.

Jones County Welfare Rolls Being Investigated

The State Welfare Department reportedly is still investigating the Jones County welfare rolls in an attempt to eliminate fraud in the system.

Investigating out of the Lubbock office of the department, the team is said to be checking welfare and food stamp recipients and

investigating such factors as their incomes, family size and other factors pertaining to the operation of the welfare system.

Jones County Attorney Raymond Hollabaugh confirmed last week that four cases of defrauding the Welfare Department had been filed in Jones County court this year. He pointed out that three of the four filings have come in the last two weeks, indicating the authenticity of the investigator's presence.

Hollabaugh said he understands that the Welfare Department is in the process

of filing against four more individuals in the near future with more investigation continuing.

When questioned about the penalty for defrauding the Welfare Department, Hollabaugh said conviction can result in an \$1,000 fine and-or six months to two years in jail. He added that restitution may be required in some cases; that is, the fraudulent welfare recipient may be required to pay the department the amount that has been received under fraud.

Investigators are said to be checking with employers of

welfare recipients to insure that they are reporting accurate income figures and that additional income is not being omitted from reports. This is being done, as well as personal contact with recipients.

Jones County has 603 people listed as active welfare cases.

Total payments for welfare in Jones County, including food stamps, medical assistance, cash payments, etc., amounted to \$1,664,791 last year.

Funeral Services

Held Monday for Charles Smith, 77

Charles Edgar Smith, 77, a Hamlin resident for 61 years, died Saturday at 10 a.m. at Hamlin Memorial Hospital. He was a retired Service station operator.

Funeral was held Monday at McCoy Chapel of Memories with David Giddings, minister of the Hamlin Church of Christ, officiating.

He was born Feb. 2, 1898, in Eastland County, son of the late Mr. and Mrs. Ben Smith.

He married Nova Farmer at McCaulley, Dec. 12, 1975. Survivors include his wife; one son, Irvin of Haskell; one sister, Effie Wright of Mangum, Okla., one grandchild and one great-grandchild.

Burial was in Hamlin East Cemetery.

Pallbearers were Jerry Pritchard, Jimmie Wright, Bill Davis, G. O. Selph, A. L. Gamble and H. R. Daniell.

Funeral Services

Held Saturday for Ernest Lee, 76

Funeral for Ernest L. Lee, 76, was held Saturday, Sept. 6, at 2 p.m. in First Baptist Church. Mr. Lee, a retired Celotex employee, died at 1:20 a.m. Friday, Sept. 5, at Stamford Memorial Hospital in Stamford.

Born Dec. 1, 1898, in Timbo, Ark., he was the son of the late Mr. and Mrs. James Lee. He had lived in Hamlin since 1920.

He married Evalena Hunter in Hamlin Feb. 11, 1942. She died Mar. 21, 1965.

Survivors include one son, Ernest Lee Jr. of Burleson; three brothers, Noel Lee of Girard, Lawton Lee of El Paso, Harold Lee of Hamlin; one sister, Mrs. Aratha Hester of Abilene; three grandchildren and one great-grandchild.

Pallbearers were Clarence Hyer, W. P. Cooper, Jesse Sauls, D. O. Waymire, H. S. Stovall and A. E. Killion.

Neinda Philosopher Comes Up With A Far-Out

Solution to the Problem of School Busing

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One tackles the busing problem this week. He may have been thrown for a loss.

Dear editor:

I have been following the controversy over school busing around the country, whether it's in the cultural North or the backward South, and the problem seems to be the same, the people just as divided and the tempers just as raw, with the answers just as elusive.

This may be because the people aren't thinking, or because, some parents argue, the decisions are generally turned over to a Federal judge with a life-time appointment whose children are already grown.

Now of course it's hard if not impossible to explain to a parent why his child can't step across the street to a nice school already there, instead of having to ride a bus clear across to the other side of the city, while the kids over there ride a bus to the school across the street. You can't blame him for thinking such a plan must have been thought up by the bus manufacturers.

Now there's nothing wrong with riding a bus to school, it sure beats walking two miles to school when you and I were young. Or was it five miles?

But ride one when the school's right across the street? There's the rub. So the answer is to eliminate that school. Maybe make a library out of it. And then have just one school for everybody. The thing to do is for Boston, for example, to erect one school in the middle of the city, 20 stories high or

however high it takes to hold all the school kids the town's got, with plans for adding more stories if the population keeps growing. You finish one grade, you move up a story, until finally you come out on the roof, fully educated.

Thus everybody goes to the same school, everybody rides a bus, the police can go about their regular work, the mayor can hunt for more taxes, and parents can have an extra hour of freedom mornings and afternoons while their kids are en route to and from the heart of the city.

If you argue that that many buses will clog the streets, I'll

remind you that the streets are already clogged, and besides, if engineers put their minds to it, they could devise pneumatic tubes extending spider-web-like out from the 20-story school, with parents encasing their kids in plastic cocoons and shooting them to school in record time. A computer could make sure they took the right tube back home. Be safer than walking across the street. On reaching the school in the mornings they could all land in one big room in the basement, intergrated like never before.

Yours faithfully,
J.A.

Funeral Services

Held Friday for

Floyd (Jack) Gray

Funeral for Floyd (Jack) Gray, 73, a retired Neinda farmer, was held Friday at 2 p.m. in McCoy Chapel of Memories. An area resident for 42 years, he died at 2:35 a.m. Wednesday, Sept. 10, at Stamford Memorial Hospital.

The Rev. Marshall Stewart, pastor of the Church of the Nazarene, and the Rev. Frank Codington, pastor of Neinda Baptist Church, officiated. Burial was in Hamlin Memorial Gardens.

Born July 18, 1902, in Pauls Valley, Okla., he was the son of the late Mr. and Mrs. Moss Gray. He married Willie L. Wilson at Brady April 12, 1921. They lived in Coleman before moving to Hamlin in 1933.

He was a member of Neinda Baptist Church.

Survivors include his wife; two sons, Jack P. of Portland, Ore., Joe S. of Denver, Colo.; one daughter, Doris Hilton of San Antonio; one brother, Rufus Gray of Coleman; one sister, Pauline Thompson of Coleman; seven grandchildren and two great-grandchildren.

Pallbearers were Ray Johnson, Earl Abernathy, Wayne Hodnett, John Scarbrough, John R. Brown and Vernon Harris.

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Open House at McCaulley School was cancelled Saturday night due to the heavy rains. Since Homecoming will be Sept. 27 another date for Open House will be announced later.

McCaulley Eagles were defeated by Benjamin Friday night. However, the boys showed much improvement and great spirit even though they played on a very muddy field and in the rain. This week they have an open date.

Mr. and Mrs. Guy Kemp of Roby visited in the home of Mr. and Mrs. Fred Kemp Saturday night.

Mr. and Mrs. Charles Ferguson drove to Muleshoe Sunday to visit Mr. and Mrs. Kenneth Ferguson and Chris. They were accompanied by Mr. and Mrs. W. J. Kemp of Hamlin. On their way home they stopped by Spur for a visit with the Don Fergusons.

Mrs. Faye Andress of

Hamlin spent Saturday night with Mr. and Mrs. Albert Maberry and Mrs. J. F. Maberry.

Mr. and Mrs. Albert Maberry and Gordon are to attend a birthday dinner honoring Albert and Jana Ross in the home of Mr. and Mrs. Sid Ross of Abilene Tuesday night.

McCaulley methodists have a new pastor, Rev. David Binkley of Abilene. Rev. Binkley has been delivering some very good messages. Come on over and hear for yourself next Sunday.

The Edd Farmers were happy to have Vivian and Eddie home from college this weekend.

The Ronnie Jeffreys of Hamlin were visitors in the home of Mr. and Mrs. Rickey Jeffrey last week.

McCaulley School pupils visited the West Texas Fair from 2:30 p.m. until 10 p.m. this year. They seemed to enjoy seeing the fair activities in the evening.

The Homecoming committee has been very busy getting invitations out to all the ex-students and teachers they can locate. If you don't get your invitation come on anyway and register and next year your address will be available. We hope to make this the best homecoming yet.

Mr. and Mrs. John Edd Reed spent the week end with Mr. and Mrs. Bobby Smith and children of Fredonia.

Class elections will be held today (Thursday) during fifth period at McCaulley High School. At 1 p.m. today a representative for annual, rings and invitations will meet with the students.

At 3 p.m. today Mr. Chambers, Max Kemp and Kenny Smart will attend the in-service FFA meeting in Hamlin.

DOUBLE BELTED

25% OFF on POLYGLAS

"Cushion Belt Polyglas" tires are reduced a full 25% for quick clearance during this end-of-season sale period. Double fiberglass belts tame wear-producing squirm, help keep tread grooves open for good wet traction. Two polyester cord body plies add strength and resilience. This is the week to go "Polyglas"!

Blackwall Size	Reg. Price	SALE PRICE 25% OFF
B78-13	\$31.75	\$22.00
C78-14	\$33.15	\$24.65
E78-14	\$34.55	\$25.91
F78-14	\$37.30	\$27.98
